14. TEXAS INNOVATION ALLIANCE OVERVIEW

BACKGROUND

The Texas Innovation Alliance (TIA) is the State Transportation Innovation Council for Texas, bringing together TxDOT, regional and local agencies, and other stakeholders to accelerate safe, efficient, and reliable transportation innovations across the state. TIA holds periodic statewide meetings and hosts an annual invitational.

CURRENT SITUATION

Ms. Mikhaela Sample will provide an overview of the purpose and work of the Texas Innovation Alliance. The Houston-Galveston Area Council's MPO staff will begin working with the Alliance soon to restart the region's innovation meetings.
