Air Quality
HOUSTON REGIONAL SUMMIT

Houston-Galveston Area Council

OCT. 8, 2026, HOUSTON, TX
9 a.m. to 4 p.m.
University of Houston Alumni Center | 3204 Cullen Blvd, Houston, TX 77204

Agenda

9:00 a.m.
Registration, Continental Breakfast, and Welcome Remarks
Start your day by checking in, picking up materials, and enjoying a light continental breakfast. This is a great opportunity to meet fellow attendees and begin networking before sessions start.

10:00 a.m.
Keynote Address: State of Air Quality - Connecting Weather, Climate, and Clean Air
Speaker: Lance Wood, Meteorologist, Harris County Flood Control District
Meteorologist Lance Wood will take us inside the latest regional air quality trends, exploring what the data—and the weather—can tell us about the air we breathe.

11:00 a.m.
Keynote Address: From Planning to Action: Implementation in Practice
Speaker: Elizabeth Carlson, Sustainability Subcommittee Lead, World Cup Host Committee
Elizabeth Carlson will share lessons and outcomes from the HOU26 World Cup Sustainability Plan, offering a real-world look at how ambitious sustainability plans become action.

11:40 a.m.
Networking Activity, Student Poster Showcase, and Vendor Exhibits
Connect with fellow participants, student research presenters, and industry exhibitors. Use this time to exchange ideas, build partnerships, and continue conversations sparked by the morning's discussions.

12:00 p.m.
Networking Lunch
Take a break and continue networking with fellow participants over lunch catered by Local Foods.

Choose 1 Dynamic Breakout Per Time Session

Location	Breakout A: O'Quinn Great Hall	Breakout B: Melcher Boardroom	Breakout C: Douglass Library	Breakout D: Blomstrom Conference
Session 1 1:00 p.m.	Community Air Monitoring to Action	Community Solutions in Action: SEED	Economic Benefit through Clean Air Action	Industry in Action
Session 2 2:15 p.m.	Transportation in Action	Public Health Impacts from Air Quality Action	Nature-Based Solutions in Action: Urban Trees	Action in Buildings & Energy Sector

3:30 p.m.
Networking & Snacks Break
Enjoy a snack break, continue networking with peers, and visit with student and vendor exhibits

3:40 p.m.
AI and Air Quality: Tools for the Future of Clean Air
Speaker: Dr. Tammy Yuan, Assistant Professor, University of Houston
Dr. Yuan will showcase how artificial intelligence and online regional resources can put new tools and information in the hands of communities and decision-makers.

3:55 p.m.
Closing Reflections
We will conclude the summit summary of key takeaways from the event, reflections from panelists, and next steps for continued collaboration on air quality improvements
