2027-2030 TRANSPORTATION IMPROVEMENT PROGRAM AND THE 2045 REGIONAL TRANSPORTATION PLAN – ADMINISTRATIVE MODIFICATIONS

BACKGROUND

The Transportation Improvement Program (TIP) is a four-year capital improvements program for transportation projects. Under federal rules, all federally assisted projects must be included in the TIP to be eligible for funding. In addition, federal rules require that regionally significant local projects must also be included in the TIP.

The 2045 Regional Transportation Plan (RTP) is a long-range plan that prioritizes spending on regional transportation projects including short and long-range strategies to ensure the transportation network is safe and efficient. Updated every four years, the RTP outlines a fiscally constrained transportation investment program that is based on the unique needs and characteristics of the Metropolitan Planning Area.

Amendments to the TIP and RTP are brought to the Transportation Policy Council for consideration monthly and amended in accordance with the Metropolitan Planning Organization's Public Participation Plan.

CURRENT SITUATION

A summary of the proposed revisions to the Transportation Improvement Program is included below.

- Convert all federal Category 2, 4 and 12 funding to state funding at TxDOT Houston District's request (MPO IDs 209. 210, 18048).
- Convert federal STBG funding to CMAQ to take advantage of CMAQ eligibility (MPO ID 19022).
- Move Carryover Spend-Down projects from FY 2026 to FY 2027 to meet the program deadline (MPO IDs 19064, 19208, 19218, 19219).
- Add $8,522 of state STBG funds at the City of Pearland's request to cover the cost of the initial iteration of the AFA amendment (MPO ID 7602).
- Delay the SL 8 frontage road construction to FY 2028 due to utilities conflicts at TxDOT Houston District's request (MPO ID 18035).
- Modify the STBG funding of the CR 59 corridor reconstruction and widening due to phase splittings (MPOs 19409, 19424).
- Modify the STBG funding and limits of the Old Conroe Road right-of-way phase to match the construction phase (MPO 19580).

- Change Project Type from 'Planning' to 'Capital' of the Fort Bend County Public Transportation Bus Support (MPO ID 18835) in the 2027-2030 STIP.

- Assign Control-Section-Job numbers to federally funded projects at TxDOT Houston District's request (MPO IDs 19568, 19570, 19601, 19602, 19603, 19604).
