

The Houston-Galveston Area Emission Reduction Credit Organization Annual Report for January 1, 2009 – December 31, 2009

This report contains a summary of the activities of the Houston-Galveston Area Emission Reduction Credit Organization (AERCO) through December 2009, its fourth year of organizational activity under its renewed 12-year charter, which expires on October 18, 2018.

The 73rd Texas Legislature passed S.B. 513 in 1993, authorizing the creation of AERCOS in an effort to promote the coexistence of air quality improvement and economic development statewide. The Houston-Galveston AERCO, a 501(c)(3) corporation, was created on March 23, 1994 and is administered in accordance with its bylaws and the requirements under applicable Texas laws, including S.B. 513. As required by AERCO's charter, this report will be submitted to the Texas Commission on Environmental Quality (TCEQ).

Activities for the period include the nominations and appointments/reappointments of members to the Board of Directors (the "Board") for three-year terms, financial transactions, other actions relating to the Clean School Bus Program, and program and board highlights.

AERCO Board and Appointments

AERCO's Board of Directors is comprised of 18 members representing the general public (4), environmental concerns (2), large industry (6), small regulated businesses (3), and economic development interests (3). Board membership reflects a range of interests in all eight counties of the region's ozone nonattainment area. Nine members are appointed from Harris County, two members each are appointed from Galveston and Brazoria counties, and one member each is appointed from Chambers, Fort Bend, Liberty, Montgomery, and Waller counties.

Board appointments are listed as of December 31, 2009. Ed Fiesinger continued as AERCO Board Chair.

All other agenda items were included as discussion items only. These included review of the quarterly TCEQ report, Clean Vehicles updates, Clean School Bus updates, and TCEQ updates.

AERCO Emission Trading and Related Activities

Although, H-GAC staff corresponded with ERC inquiries from the general public, for this reporting period, the Houston-Galveston AERCO did not engage in any emission reduction credit (ERC) purchases, sales, trades, or other activity involving the exchange of ERCs.

Community Outreach

- H-GAC updated the AERCO Web page at <http://www.h-gac.com/taq/airquality/aerco/default.aspx> to reflect new board members, and worked with H-GAC's Clean Vehicles program coordinator to distribute funds for area school districts. In addition, outreach in the form of e-mails, flyer distribution and phone calls for the Clean School Bus HGB program and SEP fund projects. H-GAC staff also promoted the AERCO at the Annual Fresh Air Friday Event held on March 27, 2009 and at the H-GAC's Advancing the Choice conference held June 24, 2009.
