

## Post Meeting Website List

1) **Fuel Economy and Greenhouse Gas Emission Standards for Passenger Cars and Light Trucks**

<http://www.epa.gov/otaq/climate/regulations.htm>

EPA and DOT announced final regulations to increase fuel economy and lower greenhouse gas emissions for passenger cars and light trucks. The fuel standards are being issued by the National Highway Traffic Safety Administration Corporate Average Fuel Economy program. The greenhouse gas emission standards are being issued under the Clean Air Act. These regulations take effect with 2012 model-year vehicles.

2) **Energy Star Rankings for Cities**

<http://www.energystar.gov>

Found in the headlines section, EPA released a ranking of a US Cities with the largest number of energy efficient buildings in 2009.

3) **Motor Vehicle Idling Stakeholder Group**

<http://www.tceq.state.tx.us/implementation/air/sip/vehicleidling.html>

Contact: Nina Castillo, Phone: 512-239-4415

Meetings were held in April, in Austin and Arlington, to provide stakeholders with information about the Locally Enforced Motor Rule Revision Project and to solicit stakeholder input on related issues.

4) **Section 185 Termination Determination**

<http://www.tceq.state.tx.us/implementation/air/industei/psei/sipsection185.html>.

Contact: Kathy Pendleton, Phone: 512-239-1936

The TCEQ is developing a Section 185 termination determination submittal to the United States Environmental Agency (EPA) for consideration which, if submitted, would request that the EPA determine a Section 185 fee program is not needed for the Houston-Galveston-Brazoria (HGB) one-hour nonattainment area because the latest (2007 through 2009) ambient monitoring data indicates measured attainment of the 1997 eight-hour ozone standard and attainment is due to permanent and enforceable emission reductions.

5) **Highly Reactive Volatile Organic Compound (HRVOC) Emissions Cap and Trade (HECT) Program**

[http://www.tceq.state.tx.us/implementation/air/banking/air\\_banking\\_form.html](http://www.tceq.state.tx.us/implementation/air/banking/air_banking_form.html)

Contact: Luke Baine, Phone: 512-239-5856

The TCEQ will conduct a HRVOC stakeholder group meeting on May 14, 2010, at 2:00 p.m. at H-GAC to provide instructional training on properly completing the ECT-6H Form.

6) **Texas Clean School Bus Program**

<http://www.tceq.state.tx.us/assistance/clean-vehicles/school-buses.html>.

Program contact: Paul Munguia, Phone: 512-239-1477

The Texas Clean School Bus program provides reimbursement to Texas school districts that install pollution-control devices on diesel school buses. The application deadline is May 31, 2010.

7) **Texas Emissions Reduction Plan (TERP) Program**

[www.terpgrants.org](http://www.terpgrants.org).

The TCEQ's Texas Emissions Reduction Plan (TERP) Program is now accepting applications for the new Texas Clean Fleet Program (TCFP). TCFP applications must be submitted by 5:00 p.m. on June 30, 2010. TCFP application workshops will be held on May 6, 2010, in Austin; May 10, 2010, in Houston; and May 11, 2010, in Arlington.

8) **Southeast Texas Photochemical Modeling Committee (SETPMTC)**

[http://www.tceq.state.tx.us/implementation/air/airmod/committee/pmtc\\_set.html](http://www.tceq.state.tx.us/implementation/air/airmod/committee/pmtc_set.html)

Contact: Dick Karp, Phone: 512-239-1462

At the Southeast Texas Photochemical Modeling Committee (SETPMTC) meeting held on April 7, 2010, the TCEQ staff presented a status and preliminary results from two emissions inventory improvement projects.

9) **State of the Air**

[www.stateoftheair.org](http://www.stateoftheair.org)

State of the Air is a report card issued by the American Lung Association on air pollution in communities across the nation.
