

RAQPC Action Item Summary

RAQPC Bylaws: Article 4: Sections 1, 2, and 7

1. The officers of the Committee will be a Chair, a Vice Chair, and the immediate past Chair.
2. The Chair and Vice Chair shall be elected by a majority of those present and voting at the meeting ...

The Chair will be a current Executive Committee member or have severed as an Executive Committee member within the last three years. If no candidate for Chair meets these criteria, this position may be filed by any member of the Committee.

7. Each officer will serve a one-year term...

Consideration should be given to electing the Chair on a rotating basis to accommodate the broad categories of membership as represented by local government, business and industry, and citizens and environmental organizations.

Discussion:

The tradition in RAQPC is to have the Chair officer position rotate among the three RAQPC sectors: Local Governments; Business and Industry; and Citizens and Environmental Organizations. If RAQPC continues this practice, the next Chair will be from the Business and Industry sector, and the next Vice Chair will be from the Citizens and Environmental Organizations.

Summary:

Mr. Bob Lanham, Business and Industry, is the current Vice Chair.

Dr. Elena Craft, will be the next Senior Officer for the Citizens and Environmental Organizations, as Dr. Matthew Tejada will be replaced as Past Chair by Ms. Paulette Wolfson.
