Brownfields Transaction Forum

First introduced in 2004, the [Brownfields Transaction Forum](#) brings together buyers and sellers of brownfields properties from all over the United States. For 2009, we're planning even more opportunities for deal makers to interact, access property information, gather business intelligence on redevelopment-ready sites, and meet potential business partners. For questions about the forum, please contact Sean Tolliver at stolliver@icma.org.

Poster Gallery

The [Poster Gallery](#) is a popular venue for sharing information on community brownfields redevelopment projects, new technologies for assessing and cleaning sites, and other news on brownfields redevelopment. Ideas for poster presentations can be submitted to Cory Fleming at cfleming@icma.org.

Exhibit Hall

Consider the [Brownfields 2009 Exhibit Hall](#) which features nearly 20 hours of exhibit time with at least three "dedicated" events to draw all participants into the exhibit hall with no concurrent events. Your booth will get plenty of uninterrupted face-time with the over 5000 attendees.

Sponsorships

Brownfields 2009, with more than 5,000 decision makers from the private sector, local, state and federal agencies, nonprofit and community groups, and academia, is the largest national event focused on redeveloping brownfield properties and creating more sustainable communities. We also invite you to discuss other sponsorship opportunities that go beyond those presented here or allow us to design a custom sponsorship package for your company.
