

About the Program

The **AirCheck Texas Vehicle Emissions Repair and Replacement Program** helps low-to-moderate income individuals and families repair or replace older, polluting vehicles.

Residents of **Brazoria, Fort Bend, Galveston, Harris and Montgomery** counties may qualify for financial assistance for emissions-related repairs or vehicle replacement if all program requirements are met.

Application Instructions

Applicants must correctly fill out an AirCheck Texas application and provide basic personal information, details about the vehicle you want to repair or replace and verified income for each working family member in the household.

To make the application process as simple as possible, we have put together a step-by-step guide below.

Submit completed applications to AirCheck Texas at:

FAX to 832-681-2530 / 832-681-2531 or

MAIL to AirCheck Texas, H-GAC, PO Box 22777, Houston, TX 77227.

Step-By-Step Guide

STEP 1: Select Repair or Replace. Please make it clear which option you require.

STEP 2: Print the First, Middle and Last names, as they appear on state-issued identifications, for each applicant. Occasionally, multiple family members will apply together for various reasons, typically Credit or Titling Purposes.

STEP 3: To participate in the AirCheck Texas Vehicle Replacement Program, applicants must retire or trade in an older vehicle, titled in the applicant's name. For both Repair and Replacement options, please provide the required information about your vehicle in the spaces provided.

STEP 4: Tell us how many individuals, or dependents of the applicant(s), live in your household. Members of the household with an income must be listed, and income verification documents must be submitted. Make a note of which documents you will submit. **Applicants/Co-Signers must live in the same household and provide income verification.*

STEP 5: The printed names and signatures of each applicant are required. If more than one name exists in Step 2, multiple signatures must also exist in Step 5.

STEP 6: Completed applications should be faxed (832.681.2530 or 832.681.2531) or mailed (AirCheck Texas, H-GAC – PO Box 22777, Houston, TX 77227) to our office.

STEP 1: PROGRAM TYPE

Select One: Repair Replace

STEP 2: APPLICANT INFORMATION

***Note:** Names must be printed as they appear on state-issued identification.

Applicant 1

First	Middle	Last
-------	--------	------

Applicant 2

First	Middle	Last
-------	--------	------
