

Agenda

Regional Flood Management Council

April 19, 2017

Conference Room A, 2nd Floor

1:30 pm to 3:30 pm

Call In Number: 800-240-3895, Passcode 1015754#

1. Welcome and Introductions
2. Approval of July 20, 2016, October 19, 2016 and January 11, 2017 Meeting Reports (Action)
3. Urban Flooding Presentation, Dr. Josh Gunn, Senior Research Associate, Texas A&M University at Galveston
Dr. Gunn is a Senior Research Associate in the Center for Texas Beaches and Shores at Texas A&M University at Galveston. Dr. Gunn will give a presentation regarding urban flooding. Researchers at Texas A&M University at Galveston are attempting to gain a better understanding on where urban flooding occurs in the U.S., how land use and urbanization influences flood hazards, and the impact of these hazards on vulnerable populations.
4. LID Presentation, Clint McManus, H-GAC Regional Planner
Mr. Clint McManus will give a presentation on H-GAC's low impact development (LID) work. If designed, installed, and maintained properly, LID can help enhance regional water quality by reducing and filtering stormwater runoff before it enters waterways and reduce the chance of downstream flooding.
5. Flood Awareness Success in Texas (FAST)
Ms. Debbie Vascik will brief RFMC on FAST news and announcements.
6. Roundtable Discussion by Members (Discussion)
RFMC members can bring up issues of importance and/ or interest for edification and/or discussion at this time, including recommendations for a future presentation topic or field trip.
7. Next Meeting: July 19, 2017 (tentative)
8. Adjourn

In compliance with the Americans with Disabilities Act, H-GAC provides for reasonable accommodation for persons attending H-GAC functions. Requests should be received by H-GAC 24 hours prior to the function.
