Artist Boat’s Vision:

Everyone who experiences our Gulf coast values and protects its natural beauty

Connect people to the Gulf Coast environments through mind-opening experiences such as exploring nature and creating eco-art

Educate and inspire people to action to preserve and protect coastal and marine habitats

Inspiring people to conserve our Gulf Coast
Programs

Public Eco-Art Adventures

The Coastal Heritage Preserve

The Bucket Brigade

Project Seawall Interpretative Trail (S.I.T.)

Inspiring people to conserve our Gulf Coast
Eco-Art Public Kayak Adventure Program

Visit awe-inspiring places and experience nature in a creative, new way

Use Eco-Art to engage K-Gray learners in coastal protection issues

Inspiring people to conserve our Gulf Coast
Bucket Brigade Program – Interpretative Tours

Goal: Engage various audiences in meaningful experiences at Galveston Beaches
Bucket Brigade Program – Beautify the Bucket

170 barrels beautified with messages

Inspiring people to conserve our Gulf Coast
We serve different audiences with the two programs.
Coastal Heritage Preserve

Educate and Inspire People of all Ages to Action to Preserve and Protect Coastal Habitats
Project Seawall Interpretative Trail (S.I.T.)

70 benches along Galveston’s Historic Seawall that interpret our coastal ecology and heritage.

Inspiring people to conserve our Gulf Coast
What does successful Engagement look like?

Use your vision to communicate why the public should care!

Experiential learning is key to deeper engagement

Inspiring people to conserve our Gulf Coast
