RE: *Approval additional participants to the Houston-Galveston Area Council Local Mitigation Plan Update*

Dear Mr. Steele:

I want to offer my congratulations to the additional participants on receiving FEMA's approval of the local mitigation plan. By receiving this approval all participating jurisdictions who adopt the plan are eligible for Unified Hazard Mitigation Grant funding, which includes the Hazard Mitigation Grant Program (HMGP); Pre-Disaster Mitigation (PDM) and the Flood Mitigation Assistance programs. Your efforts demonstrate your commitment to implementing actions that eliminate or reduce the severity of natural hazards on people and property.

See the attachment for the list of jurisdictions having submitted their adoption resolutions to date. Any remaining participants should submit resolutions within 90 days of the original plan approval date.

Your plan was approved on October 11, 2012, and expires in five years on October 11, 2017, at which time an Update will be due in order to remain eligible for Unified Hazard Mitigation Grant funding.

If you have any questions or concerns, please contact the Mitigation Plans Officer, Carolyn Sudduth 512-424-5683 or via email at [carolyn.sudduth@dps.texas.gov](mailto:carolyn.sudduth@dps.texas.gov).

Sincerely,

Frank Cantu  
State Hazard Mitigation Officer
