

The Houston-Galveston Area Council invites you and your colleagues to the **Environmental Awareness Roundtable: Latino Outreach Partnerships and Opportunities**

January 12, 2010

9:00 AM - 12:00 PM

[H-GAC Conference Room A](#)

3555 Timmons Lane

Houston, Texas 77027

Since its inception in 1977, [Talento Bilingüe de Houston](#) (TBH) has provided Houston's Latino community with opportunities to celebrate Latino culture and art. Over the past 33 years the organization has come to be a true Cultural Arts Center representing the layers of tradition, history, and social norms that constitute the unique Latino cultures represented in the Houston area. TBH has built upon its recognition in the Latino community to launch an environmental awareness campaign that uses the arts to propel Latinos into action on green issues.

Join us at the next Environmental Awareness Roundtable as Juan Esquivel, President & CEO of TBH and Founder of [Planeta Verde Now](#) discusses the tools, techniques, and opportunities that his unique organization brings to our region's environmental awareness community.

The quarterly Environmental Awareness Roundtable is designed to facilitate idea-sharing between city staff, county staff, and community organizations to create effective environmental awareness campaigns.

There is NO COST to attend this roundtable. **Please RSVP by January 8, 2010.**
