Environmental Awareness Roundtable

Scouting Resources

Join us at the next Environmental Roundtable to find out how your organization can partner with the Boy Scouts and Girl Scouts of the USA. Melissa Hardy, Girl Scouts of San Jacinto Council Program Manager, and Glenn Buckley with Boy Scouts of America (Sam Houston Area Council) will give an update on modern scouting and provide tips and tricks to working with and enlisting the help of these service-oriented and conservation-minded organizations.

Boys and girls may have changed over the years, but the Boy Scouts of America and Girl Scouts of the USA are still a wonderful resource for honest, trustworthy, and reliable volunteers that are truly dedicated to making the world a better place. This is a great opportunity to tap into a very rich network that reaches across our entire region.
