

The Houston-Galveston Area Council invites you and your colleagues to the **Environmental Awareness Roundtable:**
Communicating Your Message

October 13, 2009

9:00 AM - 11:00 AM

[H-GAC Conference Room A](#)

3555 Timmons Lane
Houston, Texas 77027

One of the most important tools in creating environmental awareness is the ability to effectively communicate your message. Join us at the next Environmental Awareness Roundtable as Kristi Tompkins, H-GAC volunteer and public outreach coordinator and Andrea Tantillo, H-GAC communications coordinator, discuss practical and effective ways to communicate your message. In addition, Robert Rayburn, Development & Natural Resource Director with the Energy Corridor District, will share his thoughts and experience on how to talk about environmental concerns with business leaders and developers.

The quarterly Environmental Awareness Roundtable is designed to facilitate idea-sharing between city staff, county staff, and community organizations to create effective environmental awareness campaigns.

There is NO COST to attend this roundtable. **Please RSVP by October 8, 2009.**

For more information or to RSVP please email Kristi Tompkins at kristi.tompkins@h-gac.com.

In compliance with the Americans with Disabilities Act, H-GAC provides for reasonable accommodation for persons attending H-GAC functions. If you have specific needs or requests please contact us at least 24 hours before the event.

To make this event more environmentally friendly we encourage you to bring your own mug or cup.
