

Amendment # 4 to the Houston-Galveston Area Council Clean Rivers Program FY 2016/2017 QAPP

***Prepared by the Houston-Galveston Area
Council (H-GAC) in Cooperation with the
Texas Commission on Environmental
Quality (TCEQ)***

Effective: Immediately upon approval by all parties

Questions concerning this QAPP should be directed to:

Jean Wright, Houston-Galveston Area Council (H-GAC)

CRP Quality Assurance Officer

P.O. Box 22777

Houston, Texas 77227-2777

(713) 499-6660

jean.wright@h-gac.com

Justification

This document details the changes made to H-GAC's multi-basin Quality Assurance Project Plan (QAPP) to change Appendix B for the last three monitoring events of fiscal year 2017. H-GAC identified two monitoring stations that were not representative of the segment they are located within and/or that were no longer accessible. This amendment adds the new stations and drops the previous stations from the monitoring schedule. The new monitoring sites will better represent the overall characteristics of each stream.

Summary of Changes

Two monitoring site locations in the FY2017 Coordinated Monitoring Schedule, but on different AUs, were determined by TCEQ and/or H-GAC to be unrepresentative of the entire waterbody/AU. The old stations will be dropped from the Coordinated Monitoring Schedule and new, more representative stations have been created and will be added to the monitoring schedule. These changes will be effective for samples being collected for the last three events in FY2017.

The following information in Appendix B is amended to reflect changes to:

- Monitoring Sites table B1.1
- Map of sampling sites

Detail of Changes

Sample Design Rationale FY 2015

The following items were changes made to the Houston-Galveston Area Council (HG) monitoring schedule:

- ADD routine monitoring site 21957 – MILL CREEK AT FM 149 NORTH OF TOMBALL
- ADD routine monitoring site 21965 – SPRING BRANCH IMMEDIATELY DOWNSTREAM OF SHAKEY HOLLOW WEST OF WOODBRANCH VILLAGE IN MONTGOMERY COUNTY
- ADD 24-hr DO monitoring site 21965 – SPRING BRANCH IMMEDIATELY DOWNSTREAM OF SHAKEY HOLLOW WEST OF WOODBRANCH VILLAGE IN MONTGOMERY COUNTY

The following items were changes made to the Houston-Galveston Area Council (H-GAC) monitoring schedule:

- DROP routine monitoring site 20461 – Mill Creek @ Hardin Store Rd north of Tomball
- DROP routine monitoring site 20451 – Spring Branch @ SH 242 northwest to the City of Woodbranch
- DROP 24-hr DO monitoring site 20451 –Spring Branch @ SH 242 northwest to the City of Woodbranch
-

There will be no changes in frequency of sample collection or parameters analyzed. Each of the removed sites had been sampled one time during FY2017. Therefore, the new sites will be monitored and sampled 3 times during the remainder of FY2017. All other partner sites, monitoring frequencies, and parameters collected will remain the same.

Monitoring Sites Table

The attached monitoring table in Appendix B titled "H-GAC Coordinated Monitoring Schedule for FY2017" is added to reflect changes made to monitoring schedule beginning in February of 2017.

Maps

The attached map will replace the previous map in Appendix C. The two old sites were removed and the new sites added.

These changes will be incorporated into the QAPP document and TCEQ and the Houston-Galveston Area Council and all local partners will acknowledge and accept these changes by signing this document.

The H-GAC will provide copies of this project plan and any amendments or appendices of this plan to each person on this list and to each sub-tier project participant, e.g., subcontractors, other units of government affected by these changes. The H-GAC will document distribution of the plan and any amendments and appendices, maintain this documentation as part of the project's quality assurance records, and will ensure the documentation is available for review.
