

6. NOMINATION PROCESS TO FILL VACANCIES ON THE TRANSPORTATION ADVISORY COMMITTEE’S SUBCOMMITTEES

Background

The Transportation Advisory Committee (TAC) has six subcommittees: Transportation Systems Management and Operations, Pedestrian-Bicyclist Subcommittee, Regional Transportation Plan Subcommittee, Regional Transit Coordination Subcommittee, Transportation Air Quality Subcommittee and Transportation Improvement Program Subcommittee. The memberships of the 2021 TAC Subcommittees were approved at the TAC meeting in March 2021. Due to staffing changes in member agencies since the approval, the TAC Subcommittees have several vacant positions.

Current Situation

Staff requested nominations from the TAC members to fill the vacancies on the TAC Subcommittees. Staff will receive nominations through October 20, 2021. Upon the receipt of nominations, staff will coordinate with the TAC Nominating Committee to make recommendations and seek approval at the TAC meeting in November. The current membership of the TAC Subcommittees is available at the following [websites](#). The tables below show vacant positions highlighted in **red font** under each TAC Subcommittee:
