

Learn How

Until further notice, H-GAC will offer a weekly class for prospective and participating dealers on the AirCheck Texas Drive A Clean Machine program in the Houston-Galveston area.

Our classes explain how the program works and how dealers get paid. Our staff will also answer any questions about the program and cover new and updated rules and procedures.

We will offer class every Friday from 9:00 a.m. to 11:00 a.m. in one of H-GAC's second floor conference rooms here at 3555 Timmons Lane, Houston. Parking is free in the garage for our building.

Space is limited for each class. Please register with us by sending an e-mail request to Roxana.najarro@h-gac.com or by calling her at 832.681.2532 by the Thursday before the class you want to attend.

New Dealer Agreements for 2010

In addition to attending our training class, all dealers wanting to continue participating or become a participating dealer must sign a participating agreement. You can get the fillable pdf version of the document by clicking the dealer agreement link on our website (www.aircheckhouston.com) in the "Dealer Documents" section. You will also need to complete a new Form W-9. You can find it in the same section.
