

**BRAZOS TRANSIT DISTRICT UPDATE**

**Background**

The Brazos Transit District (The District) is a general public transportation provider with services in sixteen counties in Central and East Texas covering over 13,000 square miles. The District provides a variety of transit services in three of the counties in the Gulf Coast Planning Region which include Liberty, Montgomery and Walker Counties.

**Current Situation**

Ms. Wendy Dickey, the Director of Marketing and Quality Assurance, will brief the Technical Advisory Committee on the services provided in the Gulf Coast Region.

**Action Requested**
