

Appendix F: Unfunded Transportation Improvements

The 2035 RTP Update reflects updated financial assumptions that significantly reduce the revenues expected to be available for project implementation. As a consequence, many projects have had to be removed from the Plan in order to meet fiscal constraint.

These unfunded expenditures fall largely into the following categories:

- Unfunded state highway system projects
- Un-sponsored added capacity and system operation projects
- Revised regional estimates for roadway preservation/rehabilitation and air quality mitigation activities

A complete list of unfunded projects is provided in this appendix.

UNFUNDED PROJECTS

| RTP Phase | Project IDs | County | Sponsor | Street | From Limit | To Limit | Project Description | Total Project Cost |
