

PEDESTRIAN-BICYCLIST SUBCOMMITTEE

Purpose

The Pedestrian-Bicyclist Subcommittee's purpose is to

- Advise the Technical Advisory Committee (TAC) in the consideration of pedestrian-bicyclist travel, facility design, safety, and education within the regional transportation planning process;
- Review and recommend updates to the Regional Pedestrian & Bicycle Plan;
- Review TIP submittals, make recommendations to the Technical Advisory Committee (TAC);
- Review proposals and assist in the selection of Special District Studies; and
- Serve as a forum to share information and issues.

Meeting Schedule

Meetings are held quarterly, or more frequently as needed.

Membership

Committee members are stakeholders involved with pedestrian and bicyclist issues. This shall include advocacy, safety, user groups, local, county representatives of economic development, developers or management districts, state agencies, engineers, land use planners, community organizations, and interested citizens. A maximum of seventeen (17) voting members shall comprise the Subcommittee, which shall include any TAC representative.

Table 1: Current Membership of the Pedestrian-Bicyclist Subcommittee
