

2045 Regional Transportation Plan (RTP) Update

Background

At the November Technical Advisory Committee (TAC) meeting staff presented the status of the 2045 Regional Transportation Plan (RTP) update process. During that presentation staff provided an overview of the updated framework of the regional Goals and Strategies for the development of the 2045 RTP.

Beginning in January 2019 staff will be conducting the second round of public meetings for 2045 RTP and the draft recommendations of the projects selected through the 2018 call for projects to be incorporated in the RTP. Public meeting flyer is attached. Additional information on the 2045 RTP is available on [H-GAC 2045 RTP website](#).
