

BRIEFING ON FUTURE TPC AMENDMENTS TO THE TIP AND RTP

Summary

Amendments to two (2) projects are being previewed this month:

- Consolidate the Commute Solutions/Alternatives Program funding for Fiscal Years 2018 and 2020 into a single 2018 grant.

The two projects both support deployment of new transit services and commute alternatives programs. Combining the two grant years will reduce the administrative costs associated with developing, reporting, and managing two separate agreements with the Texas Department of Transportation. A summary table of actions is attached including links for more detailed information.

These amendments are presented for information only and are subject to change prior to a request for action.
