

What is the Regional Safety Plan?

A Framework to Address the Most Prominent Traffic Safety Issues in Our Region

REGIONAL SAFETY PLAN

H-GAC, in collaboration with regional stakeholders, is developing a Regional Safety Plan to provide a framework for addressing the most prominent traffic safety issues in our region.

The plan requires continual collaboration and cooperation between numerous jurisdictions and agencies in the greater Houston-Galveston region and a commitment to making safety an utmost priority.

To communicate with residents and partner organizations about the plan's specific safety strategies and goals, H-GAC will hold a public meeting on July 25, 2018 from 5:30 p.m. – 7:00 p.m. Don't miss it!

A presentation will begin promptly at 6:00 p.m.
