

2018 CALL FOR PROJECTS

Background

At the April TAC and TPC meetings, staff reviewed investment categories and evaluation criteria for the 2018 Call for Projects. Based on the discussion and feedback received from the TAC members, staff is updating the evaluation criteria. Project proposals requesting federal funding will be aligned with 2045 RTP Goals, Strategies, and Investment Priorities. The revised investment categories and evaluation criteria was discussed at the May 16, 2018 TAC meeting. A summary of the proposed revisions includes:

- Consolidation of Investment Categories and Planning Factors
- Consistency in Benefit/Cost analysis measures
- Consistency in Local Match requirements

Current Situation

Based on feedback and updates, staff proposes to delay the Call for Projects by one month and begin the 60 days Call for Projects July 2, 2018 through August 31, 2018.
