

# Construction of IH-610S/SH 35 Direct Connectors

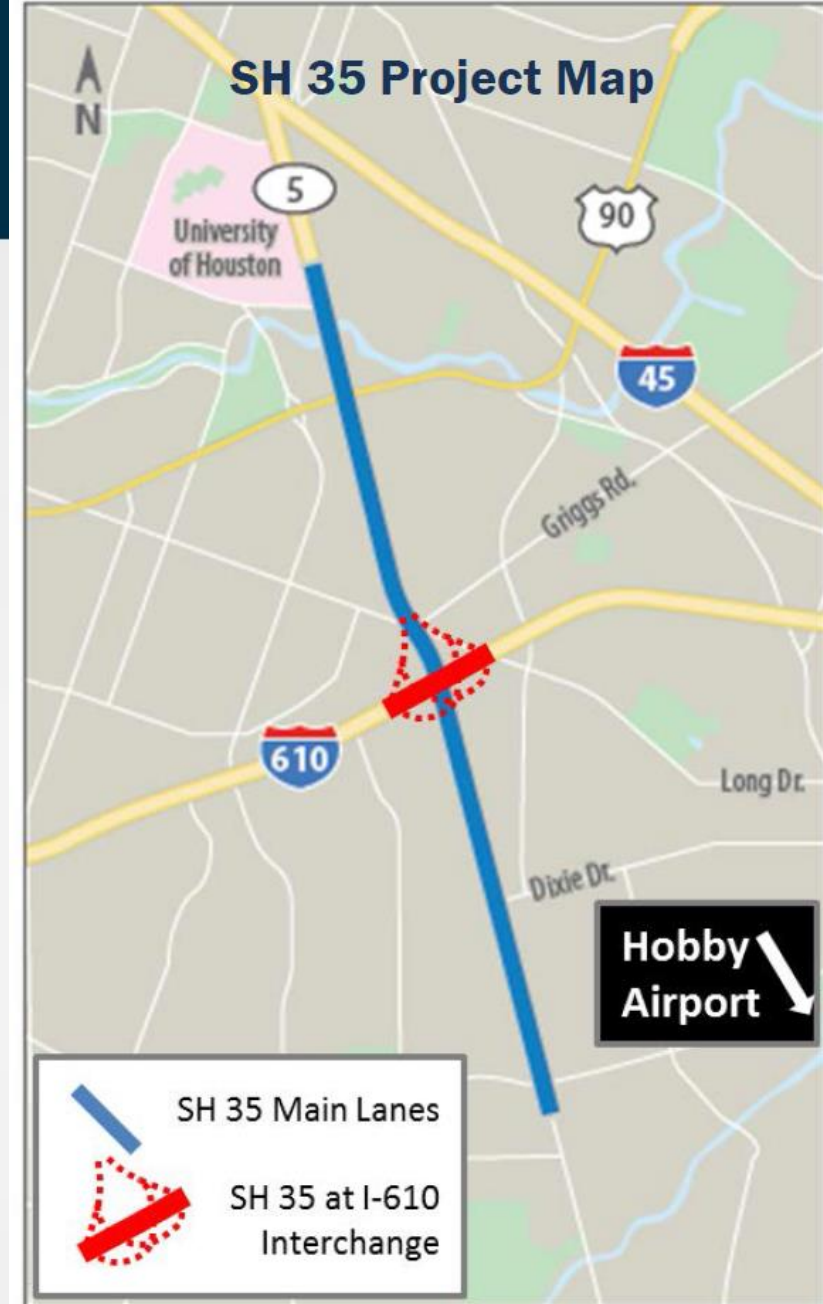

**Jim Dickinson**  
February 22, 2019

# Background

- TxDOT is seeking \$56.5M to fund two of four direct connectors between IH 610 and the proposed SH 35 Freeway (letting date – FY 2025)
- TxDOT has secured \$140M in Texas “Clear Lanes” funding for main lane construction
- TxDOT seeking INFRA grant for additional \$141.5M
- Total Project Cost: \$387M

# TAC Recommendations

- Approval of Resolution with comments.
- TxDOT should:
  - Conduct additional public involvement
  - Review proposed rail grade separation at Long Road/Wayside
  - Collaborate with METRO and H-GAC on future transit use
- Not reduce funding available for 2018 Call for Projects

# Action Requested

- Approval of Resolution 2019-07
  - commits \$56.5 million in Category 2 Mobility funds for the SH 35 freeway direct connectors
