

# Appendix G. HCFCD Stream Designations

The Harris County Flood Control District uses a channel numbering system developed in 1945 to identify and catalog channels. The system utilizes a combination of letters and numbers, and does not reflect ownership by any public entity or identify property rights or maintenance responsibility.

Several channels and detention basins in the Armand Bayou watershed are known by local names. Some of these include:

<b>Stream / Basin Name</b>	<b>HCFCD Number</b>
Armand Bayou	B100-00-00
Horsepen Bayou	B104-00-00
Big Island Slough	B106-00-00
Spring Gully	B109-00-00
Willow Springs Bayou	B112-00-00
Spencer Highway Basin	B500-01-00
Fairmont Parkway Basin	B500-02-00
Red Bluff Road Basin	B500-04-00
