

RAQPAC Action Item Summary

RAQPAC Bylaws: Article 4: Sections 1, 2, and 7

1. The officers of the Committee will be a Chair, a Vice Chair, and the immediate past Chair.
2. The Chair and Vice Chair shall be elected by a majority of those present and voting at the meeting ...

The Chair will be a current Executive Committee member or have severed as an Executive Committee member within the last three years. If no candidate for Chair meets these criteria, this position may be filed by any member of the Committee.

7. Each officer will serve a one-year term...

Consideration should be given to electing the Chair on a rotating basis to accommodate the broad categories of membership as represented by local government, business and industry, and citizens and environmental organizations.

Discussion

The tradition in RAQPAC is to have the office of Chair rotate among the three RAQPAC sectors: Local Governments; Business and Industry; and Citizens and Environmental Organizations. If RAQPAC continues this practice, the next Chair will be from the Local Government Sector, while the next Vice Chair will be from the Business & Industry sector.

Summary

According to the practice detailed in the bylaws and the discussion section above, Mr. Win Colbert, current committee Vice Chair, Local Government, is eligible be the next RAQPAC Chair and Mr. Will Nipper, Executive Committee Member from Business & Industry, is eligible to be the next RAQPAC Vice Chair. Separate discussions will occur with each membership category to determine the RAQPAC Executive Committee members for the upcoming year. Should these members be unable or unwilling to be nominated for these positions, other members of the Executive Committee may be nominated, if no one from the Executive Committee is able or willing to be nominated, then any RAQPAC member may be nominated for these officer positions.
