

EVERGREEN DUCK DERBY!

It's back! Due to the overwhelming success of last year's inaugural Duck Derby event, we are racing again with an even bigger celebration in 2026!

You are invited to be a part of this exciting event of quacking good fun on August 22, 2026 at the **Evergreen Pool**. The **We Are Evergreen' Committee** invites you to join us for a day of community spirit, family fun, and fundraising in support of the redevelopment of Evergreen Park and Pool.

The Extravaganza this year will see not only the **Duck Derby** but will also include the popular **Cardboard Boat Regatta Race** that the **Bellaire Parks and Recreation Department** sponsors for the community. By combining these two events you will see larger community participation. You or your company's sponsorship will gain you much more visibility and recognition.

When you become a sponsor, your tax-deductible donation has a tremendous impact by supporting improvements to Evergreen Park while providing valuable recognition for your business. You may also donate a product, gift certificate, or service for prizes for Entry Winners, that can in turn bring customers to your door.

Evergreen Park renovation will enhance this premier playground and aquatics center. We Are Evergreen (WAE) is a 501(c)3 partner with the Houston-Galveston Area Council (HGAC) Center for Regional Excellences. WAE is devoted to the redevelopment of Evergreen Park and Pool and is committed to creating an Evergreen Complex that reflects the needs and desires of the Bellaire community. WAE is developing a strategic plan to fulfil this community premier green space and is the recipient of federal grants and foundations and donations by private donors.

Please take a moment to review the attached sponsorship materials for more information. Depending on your sponsorship level your company could have naming rights to the event, be highlighted in the press, social media, event advertising, featured in promotional information throughout Bellaire and on banners on highly-traffic City locations. We are confident you will find many reasons to support this great event. Please visit our website at:

<http://www.weareevergreen.org>

Don't be a Sitting duck, dive in and support Evergreen Park! For questions and material submissions, please contact me. <https://www.h-gac.com/evergreen-park/duck-derby-sponsorship>. Thank you in advance for your consideration.

Sharon Veldman
