

7A. ADMINISTRATIVE AMENDMENTS TO THE 2023-2026 TRANSPORTATION
IMPROVEMENT PROGRAM AND THE 2045 REGIONAL TRANSPORTATION PLAN

BACKGROUND

The 2023-2026 Transportation Improvement Program (TIP) is a four-year capital improvements program for transportation projects. Under federal rules, all federally assisted projects must be included in the TIP to be eligible for funding. In addition, federal rules require that regionally significant local projects must also be included in the TIP.

The 2045 Regional Transportation Plan (RTP) is a long-range plan that prioritizes spending on regional transportation projects including short and long-range strategies to ensure the transportation network is safe and efficient. Updated every four years, the RTP outlines a fiscally constrained transportation investment program that is based on the unique needs and characteristics of the MPO region.

Amendments to the TIP and RTP are brought to the Transportation Policy Council for consideration monthly and amended in accordance with the H-GAC Public Participation Plan.

CURRENT SITUATION

A summary of the modifications to the 2023-2026 TIP is included for information below.

- Correct the authorized phase of work for the locally funded METRO University Line Corridor Bus Rapid Transit construction project (MPO ID 18176) from 'Transfer' to 'Construction'.
- Change the authorized phase of work from 'Capital' to 'Transfer', correct the Cost of Approved Phases in the detail page and change the Facility name to 'Fort Bend County' for Fort Bend County Transit's Congestion Mitigation/Air Quality (CMAQ) funded commuter bus purchase project (MPO ID 18238).
- Remove the estimated Construction Engineering, Contingencies, and Indirect costs from the estimated Total Project Cost Information table in TIP detailed page for the Houston-Galveston Area Council's Surface Transportation Block Grant funded FY 2023-2026 Safety Program (MPO ID 18818).
