5. Adjourn

# 1. Welcome & Introductions

Please state your name, organizational affiliation and whether you've been involved in this project previously.

## 2. Project Presentation & Tool Demonstration

### **Pramod R. Sambidi PhD**

Manager Socioeconomic Modeling & GIS  
Houston-Galveston Area Council

Dr. Pramod Sambidi is a Socioeconomic Modeling Manager at the Houston-Galveston Area Council. Pramod leads H-GAC's efforts in developing long-range demographic, economic, and land use forecasts for the Greater Houston region.

### 3. Draft Adaptive Capacity Mitigation Strategies

#### **Jolanda Prozzi**

Senior Research Scientist, Division Head  
Texas Transportation Institute (TTI)

Ms. Prozzi manages TTI's Environment and Planning Program out of Austin since 2012. Before that, she'd been employed for 10 years by the Center for Transportation Research at UT-Austin. She also worked for Cambridge Systematics, the World Bank, and the Council for Scientific and Industrial Research.

## 4. Roundtable Discussion / Questions

Remember to please state your name  
anytime you speak.

# Thank You!
