Attachment 2 – Methodology Questionnaire
(You may attach additional pages to this document if needed.)

1. H-GAC has presented the requirements for the Chambers County Thoroughfare Plan. What is a thoroughfare plan? Describe the steps would you take to successfully complete this project? Are there additional tasks and/or deliverables you would recommend and why?

**Alternate Analysis Modeling:**

1. H-GAC will no longer be performing the alternative analysis modeling. Describe your plan of action and software you will use to perform the analysis?

2. What type of data will be generated to successfully analyze the various alternatives?

3. What are the limitations?

Public Outreach Method:

1. Describe a public outreach method you have used in the past that resulted in high public participation? What techniques/tools did you use?
