

ADMINISTRATIVE AMENDMENTS TO THE 2025-2028 TRANSPORTATION IMPROVEMENT PROGRAM AND THE 2045 REGIONAL TRANSPORTATION PLAN

BACKGROUND

The 2025-2028 Transportation Improvement Program (TIP) is a four-year capital improvements program for transportation projects. Under federal rules, all federally assisted projects must be included in the TIP to be eligible for funding. In addition, federal rules require that regionally significant local projects must also be included in the TIP.

The 2045 Regional Transportation Plan (RTP) is a long-range plan that prioritizes spending on regional transportation projects including short and long-range strategies to ensure the transportation network is safe and efficient. Updated every four years, the RTP outlines a fiscally constrained transportation investment program that is based on the unique needs and characteristics of the MPO region. Amendments to the TIP and RTP are brought to the Transportation Policy Council for consideration monthly and amended in accordance with the H-GAC Public Participation Plan.

CURRENT SITUATION

In accordance with the HGAC Public Participation Plan (PPP) administrative amendment requirements, these amendments are being processed within the stipulated limits. A summary of the modifications to the 2025-2028 TIP is included for information below.

- Correct the *Total Project Cost* values of one Fort Bend County Public Transportation and three TxDOT Beaumont District projects to include the associated construction phase costs (MPO IDs 19073, 19227, 19228, 19229).
- Change the sponsor of Navigation Boulevard *Safe-Routes-to-Transit* construction project (MPO ID 19044) from the East End District to the Harris County Community & Economic Development Department per the agreement between the agencies.
- Change the sponsor of Mason Creek Trail construction project (MPO ID 19045) from Harris County to the Harris County Community & Economic Development Department per the agreement between the agencies. Update the facility name and limits.
- Update the Description and FTA Section 5339 funding amount of the City of Galveston's vehicle replacement (MPO ID 19180) at the City's request.
- Change the City of Conroe's advanced planning for a CNG fueling facility project (MPO ID 19193) phase from 'Engineering' to 'Transfer' at the City's request.
- Add 'Engineering Review' as an authorized phase of work to the Downtown Management District's Central Business District street rehabilitation project (MPO ID 19205) at the District's request.

- Correct the Control-Section-Job number for the TxDOT Beaumont District's IH-10 East rehabilitation project at FM 1406 (MPO ID 19232).
