

TPC AMENDMENTS TO THE TIP AND RTP

Summary

| | |
|----------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| MPOID 18004 | Increase the federal STBG (Surface Transportation Block Grant) funding by \$153,000 on the Houston-Galveston Area Council Regional Planning Studies Bundle#1 to cover the Texas Department of Transportation direct and indirect state costs. Increasing the funding request resulted in the need of an additional 30,600 TDC's. |
| MPOID 16345 | Increase the federal STBG (Surface Transportation Block Grant) funding by \$350,000 on the Houston-Galveston Area Council Regional Planning Studies Bundle#2. To match the increase in federal funding an additional 150,000 in Transportation Development Credits is also being requested. |
