Activity Report

Activity Title/ Jurisdiction Assisted	Cedar Bayou Initiative
Activity Description	<p>The series of meetings is being called the Cedar Bayou Initiative. The project has an emphasis on economic development and hazard mitigation in the Cedar Bayou watershed. Chambers County, Baytown, Mont Belvieu, Chevron Phillips, two Navigation Districts, and Harris County Flood Control have been primary attendees.</p> <p>Meeting 1: The needs of the group were discussed and we outline what services H-GAC could provide.</p> <p>Meeting 2: H-GAC researched all ongoing and proposed projects happening in the Cedar Bayou watershed, and asked the meeting attendees to fill in the gaps and provide feedback. Most of the notable projects are channel dredging projects for economic development and flood mitigation (detention, homes, roads, and businesses).</p> <p>Meeting 3: We worked with attendees to prioritize the projects and identify needed resources/actions.</p> <p>Meeting 4: Provide a final report with next steps, responsible parties, and potential funding sources for each project.</p>
