

RAQPAC Action Item Summary

RAQPAC Bylaws: Article 4: Sections 1, 2, and 7

1. The officers of the Committee will be a Chair, a Vice Chair, and the immediate past Chair.
2. The Chair and Vice Chair shall be elected by a majority of those present and voting at the meeting ...

The Chair will be a current Executive Committee member or have severed as an Executive Committee member within the last three years. If no candidate for Chair meets these criteria, this position may be filed by any member of the Committee.

7. Each officer will serve a one-year term...

Consideration should be given to electing the Chair on a rotating basis to accommodate the broad categories of membership as represented by local government, business and industry, and citizens and environmental organizations.

Discussion

The tradition in RAQPAC is to have the office of Chair rotate among the three RAQPAC sectors: Local Governments; Business and Industry; and Citizens and Environmental Organizations. If RAQPAC continues this practice, the next Chair will be from the Local Government Sector, while the next Vice Chair will be from the Business & Industry sector.

Summary

Mr. Win Colbert was appointed Chair of RAQPAC at the July 2021 meeting according to the practice detailed in the bylaws and the discussion section above. At that time, we were unable to appoint a Vice-Chair for the Committee. At this time, staff would like to move forward with a nomination for Vice-Chair from the RAQPAC Executive Committee or, if no one from the Executive Committee is able or willing to be nominated, then any RAQPAC member may be nominated for these officer positions.
