

12. DISADVANTAGED BUSINESS ENTERPRISE (DBE) TRIENNIAL GOAL 2026-2028

**BACKGROUND**

The Houston-Galveston Area Council (H-GAC) Transportation Department receives federal financial assistance from the U.S. Department of Transportation (DOT) through the Federal Highway Authority (FHWA), the Federal Transit Authority (FTA), and the Federal Aviation Administration (FAA). Recipients of these federal funds are required to set an overall triennial goal for participation by Disadvantaged Business Enterprises in their DOT-assisted contracts in accordance with 49 CFR Part 26: "Participation by Disadvantaged Business Enterprises (DBE) in Department of Transportation Programs." The triennial goal is established to ensure that DBE firms have reasonable opportunity to participate in DOT-assisted contracts.

**CURRENT SITUATION**

The Houston-Galveston Area Council Transportation Department has determined that the current DBE goal of 26% should be adopted for the 2026-2028 fiscal years. This is based on various data collected on DBEs in the H-GAC region. As part of the DBE triennial goal process, the Transportation DBE program held a DBE workshop and public meetings for feedback. A 30-day public comment period was conducted from June 17, 2025, and ended July 17, 2025. All comments were taken into consideration for the final completion of the DBE triennial goal and report. The schedule for the DBE triennial goal process is in the chart below.
