Local Public Housing Authorities

Contacting the Local Public Housing Authority is a good first step in obtaining affordable housing. The Housing Authorities help qualifying individuals obtain a voucher (sometimes called Section 8) or assistance living in a subsidized apartment complex. These programs are both income-based, where an eligible family only pays 30% of their income towards rent. Some individuals may be eligible with no income.

For any of these programs, you must contact the Local Public Housing Authority directly. Some small cities and rural areas do not have their own Public Housing Authorities. In these cases, an individual will need to contact the Texas Department of Housing and Community Affairs (TDHCA) who will serve as their local Public Housing Authority. Housing Authorities often have waitlists, and their waitlists may not be available all year round.
