

TO: Technical Advisory Committee Members and Other Interested Persons

SUBJECT: January 2026 Technical Advisory Committee Meeting

FROM: Allie Isbell, MPO Assistant Director
Jamila Owens, MPO Assistant Director

DATE: January 9, 2026

The next Technical Advisory Committee (TAC) meeting will be conducted on January 14, 2026, at 9:30 a.m. in-person at the Houston-Galveston Area Council offices. The meeting will be open to the public at 3555 Timmons Lane, Houston, TX 77027 – Conference Room 2B. All TAC members must be present on-site to participate. The meeting will be streamed live for viewing only at: h-gac.com/live. The agenda items will be posted on the H-GAC website at: [Technical Advisory Committee Agendas and Minutes | Houston-Galveston Area Council \(H-GAC\)](#).

During this meeting, staff will request TAC approval of (or recommendation for approval for) the following action items:

1. The Consent Agenda containing:
 - December Meeting Minutes Summary
 - 2025-2028 TIP Amendments
 - 10-Year Plan

Informational items to be covered in this meeting are updates on the 2050 Regional Transportation Plan, Transportation Alternatives Set-Aside (TASA) Call for Projects, the Regional Active Transportation Plan (RATP), FHWA Safety Performance Measures, and a preview of future amendments and administrative modifications to the 2025–2028 TIP.

Thank you in advance for your patience during our discussions. We will do our utmost to ensure everyone has an opportunity to speak and be heard. We look forward to hearing from you at our meeting. Please address any comments and/or questions regarding the TAC Meeting to Allie Isbell, MPO Assistant Director, at (713) 993-2411 or Allie.Isbell@h-gac.com or Jamila Owens, MPO Assistant Director, at (832) 681-2522 or Jamila.Owens@h-gac.com.

MEETING OF THE TECHNICAL ADVISORY COMMITTEE
FOR THE TRANSPORTATION POLICY COUNCIL

MEETING INFORMATION

Date:	January 14, 2026	Livestream Link:	h-gac.com/live
Time:	9:30 A.M.	Location:	3555 Timmons Lane Houston, TX 77027 Conference Room 2B

AGENDA

1. **Introductions**
2. **Certification of Quorum**
Staff will certify the quorum requirement is met with 21 voting members
3. **Public Comments on Agenda Items**
Members of the public will have 3 minutes each to comment on Agenda Items. Written comments may be sent by email to TACPublicComments@h-gac.com. Comments received by 5:00 p.m., Tuesday, January 13, 2026, will be incorporated into the meeting record. Written comments may be viewed at [Public Comments](#).
4. **Orientation to Agenda and MPO Assistant Director Report**
5. **Consent Agenda**
Action Requested
 - A. December 10, 2025, Meeting Minutes Summary
 - B. 2025-2028 Transportation Improvement Program (TIP) Amendments
 - C. 10-Year Plan
6. **2050 Regional Transportation Plan (RTP) Update**
Information Only
Staff will give an update on the 2050 RTP
(Staff Contact: Mr. Brandon Mosley)
7. **Federal Highway Administration (FHWA) Safety Performance Measures**
Information Only
Staff will present on FHWA Safety Performance Measures
(Staff Contact: Ms. Keehren Baah)
8. **Transportation Alternatives Set-Aside (TASA)**
Information Only
Staff will provide an update on the TASA Call for Projects
(Staff Contact: Mr. Brian D. Smith, II)

9. Regional Active Transportation Plan (RATP) Update

Information Only

Staff will provide an update on the 2050 RATP
(Staff Contact: Mr. Brian D. Smith, II)

10. Planning Activities

Information Only

A. 2025-2028 Transportation Improvement Program (TIP) Future Amendments

Staff will present Future Amendments to the 2025-2028 TIP
(Staff Contact: Mr. Jim Dickinson)

B. 2025-2028 Transportation Improvement Program (TIP) Administrative Modifications

Staff will present Administrative Modifications to the 2025-2028 TIP
(Staff Contact: Mr. Jim Dickinson)

ANNOUNCEMENTS

Event	Date	Time	Location
Pedestrian & Bicyclist (Ped-Bike) Subcommittee Meeting	January 15	9:30 a.m.	Hybrid
Transportation Policy Council (TPC) Meeting	January 23	9:30 a.m.	H-GAC Office
Clean Cities Coalition Stakeholder Meeting	January 28	12:00 p.m.	Virtual
Regional Air Quality Program Advisory Committee (RAQPAC) Meeting	January 29	10:00 a.m.	Virtual
Transportation Improvement Program (TIP) Subcommittee Meeting	February 4	9:30 a.m.	Virtual
Regional Transportation Plan (RTP) Meeting	February 10	1:30 p.m.	Virtual
Technical Advisory Committee (TAC) Meeting	February 18	9:30 a.m.	H-GAC Office

ADJOURNMENT

5A. MINUTES OF THE TECHNICAL ADVISORY COMMITTEE
WEDNESDAY, DECEMBER 10, 2025, 9:30 A.M. MEETING

INTRODUCTIONS

Chair Morad Kabiri, called the Technical Advisory Committee (TAC) meeting to order at 9:30 a.m. Chair Kabiri gave a brief overview of the housekeeping rules. After the housekeeping rules, the Chair called on Ms. Allie Isbell, Metropolitan Planning Organization (MPO) Assistant Director, to conduct the Roll Call.

See Attachment 1 for the list of Committee representatives and alternates present. There were 34 members in attendance; 22 were required for a quorum.

The meeting agenda and materials are available on the TAC website at:

[Technical Advisory Committee Agendas and Minutes | Houston-Galveston Area Council \(H-GAC\)](#)

In addition, the livestream recording is available at: [Technical Advisory Committee Meeting Livestream Archive | Houston-Galveston Area Council \(H-GAC\)](#).

PUBLIC COMMENTS

There were no written public comments received. No public comments were made in person.

ITEM 4. ORIENTATION TO AGENDA AND MPO ASSISTANT DIRECTOR REPORT

Ms. Jamila Owens, the MPO Assistant Director, provided a brief overview of the meeting agenda for the December 10th TAC Meeting. Ms. Owens highlighted the following items in the MPO's Assistant Director Report:

Agenda Overview

- Consent agenda included three items: November 12 Meeting Minutes, 2025-2028 Transportation Improvement Program amendments, and 10-Year Plan update.
- Additional action item: Project Development and Delivery Milestone Policy for recommendation.

Updates

- Carryover Spend Down Projects: Update on projects approved to reduce balances in Surface Transportation Block Grant and CMAQ funds.
- Safe Routes to School & Railroad Crossing Programs: Plans and activities will be discussed.

Announcements

- RTP Subcommittee Meeting: December 16 at 2:30 p.m.
- Upcoming board items: Scenario Planning Tool consultant for data analytics, City of Needville Mobility Plan consultant, consultant selection for 2050 Regional Transportation Plan and 2050 Regional Active Transportation Plan.

Funding News

- FTA announced \$2 billion in competitive grants nationwide, several awards in the region:
 - Brazos Transit District: \$18.9M for hybrid buses.
 - Fort Bend County: \$13.7M for CNG fueling facility and bus upgrades.
 - Metro: \$100M for fueling station, maintenance, and bus replacements.
 - TxDOT: Funding for rural transit agencies.
- These funds support Transit Asset Management Plan and Safety Plan goals.

TAC Bylaws and Nominations Process

The TAC Bylaws and nominations process was further addressed in a report presented by Ms. Allie Isbell, MPO Assistant Director. Please see the highlights of this report below:

- Bylaws Update
 - Committee is now officially named Technical Advisory Committee (TAC).
 - Newly approved bylaws included in the meeting packet.
 - Key change: At-large representative seats have been adjusted, creating new opportunities.
- Nomination Process
 - Nine at-large positions are open for nomination.
 - Regular seats (city, county, transportation representatives) are self-appointed by agencies; names are already being submitted.
 - At-large positions will be filled through a public online nomination form.
- Nomination Form Details
 - Form will be published.
 - Open call for nominations; anyone can submit.
 - Multiple nominations allowed per person.
 - Form link will be emailed and posted on the TAC website under Quick Links.
- Timeline
 - Submissions due by end of the year.
 - Staff will review and verify eligibility of nominees.
 - Recommendations will be provided to the Transportation Policy Council (TPC) Nominating Committee.
 - TPC will vote on the slate at the January 23 meeting.
 - New TAC members will start in February 2026.

To hear the MPO Assistant Director Report in its entirety, please click on the link [here](#).

ITEM 5A-5B. APPROVAL OF CONSENT AGENDA ITEMS

Chair Kabiri called for a motion to approve the Consent Agenda, which included the following items:

- Item 5A: Meeting Minutes Summary from the November 12, 2025, TAC Meeting
- Item 5B: 2025–2028 Transportation Improvement Program (TIP) Amendments
- Item 5C: 10-Year Plan Update

Motion:

Mr. Jason Smith made a motion to approve consent agenda items 5A), 5B) and 5C). Mr. Morad Kabari made a second motion.

Prior to the Committee vote, members raised questions regarding 5C) 10-Year Plan Update, specifically:

- Whether immediate action was required or if additional time was available for review
- Whether subcommittees had reviewed the plan
- If the scope of the plan beyond project listings and its alignment with regional goals
-

Staff Response:

- There is no urgency to adopt the plan this month
- The draft plan is available online and linked in the agenda packet
- The plan consists primarily of a project listing and map, consistent with the TIP and RTP
- Environmental engineering phases are included for applicable projects

Additional Comments:

- Suggestion to include an introductory section in the plan for clarity on its purpose and relationship to TIP and RTP

- Clarification that the plan does not include transit formula funds, as these are not programmed over long periods

Committee members agreed to defer Item 5C (10-Year Plan Update) to a future meeting.

Amended Motion:

Mr. Jason Smith moved to approve Items 5A and 5B and defer Item 5C. The motion was seconded and passed unanimously.

A slide presentation and audio recording for this item are available [here](#).

ITEM 6. PROJECT DEVELOPMENT & DELIVERY MILESTONE POLICY

Mr. Sagnik Raha, presented on the Project Development & Delivery Milestone Policy. Staff outlined the objectives, framework, and tools associated with the milestone policy, which is intended for TPC adoption for December.

Quarterly monitoring revealed increasing federal carry over balances rolling into future years. In response, TPC directed HGAC to form a workgroup to develop policy solutions aimed at reducing these balances, strengthening accountability, and improving project delivery.

The workgroup identified the following key objectives:

- Establish clear expectations and strong coordination among local government sponsors, TxDOT, and HGAC
- Promote enhanced monitoring, schedule tracking, and risk management
- Improve project sponsor accountability and funding efficiency

The policy framework was built around two critical concepts:

- Assessing each project against a baseline timeline or schedule
- Conducting risk assessments to identify uncertainties and potential issues

Projects will be monitored quarterly. Issues will be flagged on a Caution List; unresolved issues will escalate to an Action List, requiring corrective measures. The policy has undergone internal reviews, TIP Subcommittee review (October and November), and was presented as an information item to TAC and TPC, receiving positive feedback.

Tools to Support Policy Implementation:

- **Baseline Schedule:**
 - Represents the original approved timeline for key activities, milestones, and deliverables
 - Created using TxDOT's Local Government Project Scheduling Tool and updated quarterly
- **Risk Register:**
 - Categorizes risks into three areas:
 - Project Scope: Design completion, right-of-way acquisition, environmental clearance, permitting, railroad involvement, utility relocation
 - Process Certainty: STIP approval, AFA execution, FTA transfer, consultant selection, procurement timelines, agreements
 - Resource Availability: Staffing, funding availability, CIP budget timing, bond funding
 - Currently in concept format; next step is converting to a smart form for ease of use

- **Implementation Process:**

1. Project sponsor completes the HGAC risk register
2. Data populates the scheduling tool to create the baseline schedule
3. Quarterly monitoring updates both the risk register and schedule
4. Projects meeting criteria for caution or action status are flagged and reported to TPC

After this presentation, the Chair opened the floor for questions. To hear the Committee discussion in its entirety, please click [here](#).

Motion:

Mr. Jason Smith made a motion to approve Project Development and Delivery Milestone Policy, with the recommendation that staff develop a process to make caution and action lists publicly available, allowing flexibility in determining the best approach for publication. Ms. Callie Barnes made a second motion to approve. The Committee voted and the motion carried.

A slide presentation and audio recording for this item are available [here](#).

ITEM 7. CARRY OVER SPEND DOWN UPDATE

Mr. Sagnik Raha presented the Carry Over Spend Down Update. The Unified Planning Work Program (UPWP) directs the Metropolitan Planning Organization (MPO) to monitor, track and report to the Transportation Policy Council (TPC) and Technical Advisory Committee (TAC) the delivery status of projects included in the 2025-2028 Transportation Improvement Program (TIP). As such, H-GAC conducts quarterly meetings with all local government sponsors with projects included in the TIP.

H-GAC met with 35 project sponsors regarding 122 TIP Carry Over Spend Down projects totaling ~\$900M of Congestion Mitigation Air Quality (CMAQ)/Category 5, Surface Transportation Block Grant (STBG) Program/Category 7, and Carbon Reduction Program (CRP)/Category 10 Funds. A summary of the status updates was shown in the meeting packet materials and presented to the Committee.

This item was for information only.

A slide presentation and audio recording for this item are available [here](#).

ITEM 8. SAFE ROUTES TO SCHOOL (SRTS) UPDATE

Mr. Brian D. Smith, II, presented on Safe Routes to School (SRTS) Update. Safe Routes to School (SRTS) is a national and international movement to increase physical activity, improve health, reduce traffic congestion, and address air quality by getting more students walking and rolling to school and in daily life. SRTS follows a “Six E’s” framework—education, engineering, evaluation, encouragement, engagement, and equity—to create projects and programs to expand mobility options for children and parents.

Creating a regional SRTS program is identified in the goals of H-GAC’s Unified Planning Work Program (UPWP). H-GAC’s SRTS program will accomplish three (3) objectives:

1. Conduct a literature review and best practices study of SRTS, including recommendations for the MPO’s role in moving SRTS forward in the region.
2. Provide planning support for implementation of SRTS best practices in the region.
3. Provide technical support for regional, local area, corridor, and site specific SRTS plans.

H-GAC’s SRTS program will leverage funding and policy opportunities to improve bicycle and pedestrian safety, expand mobility options, encourage alternative transportation use, and promote public health in the catchment areas of schools across the region.

H-GAC staff continues to refine the regional SRTS program framework and meet with stakeholders to gauge interest in SRTS. Sponsors of potential SRTS infrastructure projects are encouraged to submit to H-GAC's open Transportation Alternatives Set-Aside (TASA) call for projects. For SRTS non-infrastructure and planning projects, H-GAC staff has identified best practices to potentially implement in a pilot program in 2026. The SRTS non-infrastructure pilot framework will be submitted to the Pedestrian-Bicyclist Subcommittee, TAC, and TPC for review in early 2026.

This item was for information only.

A slide presentation and audio recording for this item are available [here](#).

ITEM 9. RAILROAD CROSSING PROGRAM UPDATE

Ms. Sydney Ligons presented on the Railroad Crossing Program Update. H-GAC initiated a planning program to support the development of solutions at rail crossings through feasibility studies. The Freight Grade Separation Program aimed to aid in the development of improvements that enhanced safety, speed, and reliability in regional transportation.

In July 2026, the program was introduced to the Greater Houston Freight Committee, and the project evaluation criteria developed by H-GAC staff were shared to encourage project submissions. The following month, in August 2026, the program was presented to the TAC and TPC, receiving strong support from all groups. As the H-GAC region continued to grow, ongoing safety and efficiency issues persisted at approximately 1,200 at-grade crossings near key freight routes, ports, and historic neighborhoods. These crossings posed safety hazards and frequently delayed travelers.

Senate Bill 1555, recently enacted by the Texas Legislature, provided a unique opportunity to address long-standing conflicts between rail infrastructure and other transportation modes. While many stakeholders pursued statewide funding, not all crossings qualified or were ready to seek support.

The Freight Grade Separation Program targeted communities that needed solutions but sought to assess the feasibility of significant infrastructure investments. Conducting planning feasibility studies was the first step in the project pipeline leading to implementation and construction.

H-GAC began the process to launch the Freight Grade Separation Study call for projects and anticipated accepting applications from interested participants as early as January 2026. The application submission window was expected to run from late January 2026 through the end of February 2026, although this schedule was subject to adjustment.

Staff provided an update on the Freight Grade Separation Program Call for Projects, including details on submission guidelines, key milestones, and a draft timeline for completing the call for projects.

This item was for information only.

A slide presentation and audio recording for this item are available [here](#).

ITEM 10. PLANNING ACTIVITIES

A. Future 2025-2028 Transportation Improvement Program (TIP) Amendments

Mr. Jim Dickinson provided a brief update on 2025-2028 TIP Future Amendments to the Committee. To hear this update, please click on the link below.

For Information Only. No action needed.

A slide presentation and audio recording for this item are available on the TAC website [here](#).

5B. AMENDMENTS TO THE 2025-2028 TRANSPORTATION IMPROVEMENT PROGRAM AND
THE 2045 REGIONAL TRANSPORTATION PLAN

BACKGROUND

The 2025-2028 Transportation Improvement Program (TIP) is a four-year capital improvements program for transportation projects. Under federal rules, all federally assisted projects must be included in the TIP to be eligible for funding. In addition, federal rules require that regionally significant local projects must also be included in the TIP.

The 2045 Regional Transportation Plan (RTP) is a long-range plan that prioritizes spending on regional transportation projects including short and long-range strategies to ensure the transportation network is safe and efficient. Updated every four years, the RTP outlines a fiscally constrained transportation investment program that is based on the unique needs and characteristics of the Metropolitan Planning Area.

Amendments to the TIP and RTP are brought to the Transportation Policy Council for consideration monthly and amended in accordance with the Metropolitan Planning Organization's Public Participation Plan.

CURRENT SITUATION

A summary of the proposed revisions to the 2025-2028 Transportation Improvement Program is included below.

- Delay six TxDOT Houston District construction projects on various roadways (MPO IDs 38, 16320, 16347, 17228, 17229, 17230) to FYs 2030-2032 of the 10-Year Plan due to TxDOT's statewide level-letting process.
- Delay TxDOT Beaumont District construction project on SH 99 (MPO ID 14248) to FY 2030 of the 10-Year Plan due to the District's level-letting process.
- Delay TxDOT Houston District's IH 10 West reconstruction and widening project (MPO ID 6056) to FY 2029 of the 10-Year Plan to match the FY 2026 TxDOT Unified Transportation Program (UTP) which was approved by the Texas Transportation Commission on August 21, 2025.
- Reduce the Category-4 Statewide Connectivity Corridor funding of TxDOT Houston District's FY 2027 SH 225 main lanes reconstruction (MPO ID 18960) by \$14.6M based on the latest cost estimate.
- Change the limit of TxDOT Houston District's IH 10 West frontage road construction in Waller County (MPO ID 19023) to align it with the adjoining section.
- Program METRO's H-GAC Project Select Process award of \$28.8M of federal Congestion Mitigation/Air Quality (CMAQ) funds for their Northline Transit Center expansion project (MPO ID 15549) in FY 2026. The CMAQ funds will be matched with Transportation Development Credits.

- Cancel METRO's FY 2025 locally funded Bus Pad/Bus Lanes Improvement project (MPO ID 11723) due to not receiving any federal grant funding.
- Cancel METRO's FY 2025 locally funded Clean Diesel Bus Purchase project (MPO ID 15246) which was superseded by a federally funded purchase (MPO ID 11268).
- Update the description of the City of Houston's Telephone Road rehabilitation project (MPO ID 18933) to conform to H-GAC's Standard Operating Procedure (SOP). Delay to FY 2026 in anticipation of grouping in a TxDOT Statewide Program.
- Cancel the engineering phase of Harris County's FY 2026 Rankin Road access management improvements project (MPO ID 19018) and add Engineering Review as an authorized phase of work to the construction project (MPO ID 19019).
- Cancel the engineering phase of Harris County's FY 2027 East Richey Road access management improvements project (MPO ID 19021) and add Engineering Review as an authorized phase of work to the construction project (MPO ID 19022).
- Program Harris County's H-GAC \$12.5 federal Category-10 Project Selection Process award for Precinct 1 traffic signal replacements (MPO ID 19308) in FY 2026. The County will provide \$3.1M of matching funds.

ACTION REQUESTED

Technical Advisory Committee recommendation for Transportation Policy Council approval of Resolutions 2026-03 and 2026-04.

Resolution

NO. 2026-01

AUTHORIZING AMENDMENTS OF THE 2025-2028 TRANSPORTATION IMPROVEMENT PROGRAM (TIP) AND THE 2045 REGIONAL TRANSPORTATION PLAN (RTP) FOR THE HOUSTON-GALVESTON METROPOLITAN PLANNING AREA

WHEREAS, the 2045 Regional Transportation Plan was adopted by the Transportation Policy Council on May 19, 2023; and

WHEREAS, the 2025-2028 Transportation Improvement Program for the Houston-Galveston Metropolitan Planning Area was adopted by the Transportation Policy Council on June 28, 2024; and

WHEREAS, the proposed revisions to the 2025-2028 Transportation Improvement Program are consistent with the 2045 Regional Transportation Plan and its finding of conformance with the State Implementation Plan for air quality; and

WHEREAS, the proposed revisions to the 2025-2028 Transportation Improvement Program are consistent with the federal fiscal constraint requirements established for the Transportation Improvement Program and are consistent with the financially constrained 2045 Regional Transportation Plan.

NOW, THEREFORE, BE IT RESOLVED BY THE TRANSPORTATION POLICY COUNCIL (TPC) FOR THE HOUSTON-GALVESTON METROPOLITAN PLANNING AREA THAT THE 2025–2028 TRANSPORTATION IMPROVEMENT PROGRAM AND THE 2045 REGIONAL TRANSPORTATION PLAN BE AMENDED TO REFLECT THE REVISIONS IDENTIFIED IN THE TABLE OF **JANUARY 2026 TPC AMENDMENTS**.

BE IT FURTHER RESOLVED THAT FEDERAL FUNDS AUTHORIZED BY THE TPC FROM THE CONGESTION MITIGATION AND AIR QUALITY (CMAQ) AND SURFACE TRANSPORTATION BLOCK GRANT (STBG) PROGRAMS REPRESENT A LIMITING AMOUNT. ANY COST OVERRUNS ON PHASES OF WORK AUTHORIZED BY THE TPC OR COSTS INCURRED ON PHASES OF WORK NOT AUTHORIZED BY THE TPC SHALL BE THE RESPONSIBILITY OF THE PROJECT SPONSOR. IN NO CASE, SHALL FEDERAL PARTICIPATION UNDER THE CMAQ AND STBG PROGRAMS BE INCREASED WITHOUT CONSULTATION AND THE EXPRESS APPROVAL OF THE TPC.

PASSED AND APPROVED this 23rd day of January 2026, at a regularly called meeting of the Transportation Policy Council.

APPROVED:

ATTEST:

Hon. Justin Beckendorff, Chairman
Transportation Policy Council

Hon. Lesley Briones, Secretary
Transportation Policy Council

Resolution

NO. 2026-02

APPROVING THE AWARD OF TRANSPORTATION DEVELOPMENT CREDITS (TDCs) AND AUTHORIZING RELATED AMENDMENTS TO THE 2025-2028 *TRANSPORTATION IMPROVEMENT PROGRAM* (TIP), AND THE 2045 *REGIONAL TRANSPORTATION PLAN* (RTP) FOR THE HOUSTON-GALVESTON METROPOLITAN PLANNING AREA.

WHEREAS, Texas Administrative Code, Title 43 Subchapter H, identifies the purpose, goals, and administrative requirements for the Transportation Development Credit Program in the State of Texas, including the sub-allocation of credits to Metropolitan Planning Organizations (MPOs); and

WHEREAS, the Texas Department of Transportation has documented the current balance of credits allocated to H-GAC, the MPO for the Houston-Galveston Transportation Planning Area; and

WHEREAS, Texas Administrative Code, Title 43 §5.106, establishes requirements for the award of transportation development credits by MPOs; and

WHEREAS, the Houston-Galveston Area Council has established a documented process for the evaluation of applications and the award of credits; and

WHEREAS, the Houston-Galveston Area Council is in receipt of requests for credits; and

WHEREAS, the award of credits for these purposes is consistent with the Policy governing the consideration of requests for credits adopted by the Policy Council on November 20, 2020.

NOW, THEREFORE, BE IT RESOLVED BY THE TRANSPORTATION POLICY COUNCIL (TPC) FOR THE HOUSTON-GALVESTON METROPOLITAN PLANNING AREA THAT TRANSPORTATION DEVELOPMENT CREDITS BE MADE AVAILABLE TO THE PROJECTS IN THE ATTACHED TABLE#1 AND THAT THE TRANSPORTATION DIRECTOR IS DIRECTED TO ENTER INTO ANY NECESSARY PROJECT AGREEMENTS.

PASSED AND APPROVED this 23rd day of January 2026, at a regularly called meeting of the Transportation Policy Council.

APPROVED:

ATTEST:

Hon. Justin Beckendorff, Chairman
Transportation Policy Council

Hon. Lesley Briones, Secretary
Transportation Policy Council

Mr. Vishu Lingala
Program Manager – Project Programming
Houston-Galveston Area Council
3555 Timmons Lane
Houston, Texas 77227

Subject: TIP Modification Requests for Rakin and Richey Road Projects – Harris County

Dear Mr. Lingala,

We are requesting the following modifications to the Transportation Improvement Program (TIP) for the projects below in Harris County Precinct 1. We are in coordination with Texas Department of Transportation on the next steps, and the following TIPMODs will help to expedite the implementation of projects:

MPOID. 19018 Rankin Road Project:

- Cancel engineering phase (\$1,980,964) that will be locally funded
- Add engineering review phase to construction project for Rankin Road
- Advance Construction FY from 2028 to 2027

MPOID. 19021 Richey Road Project:

- Cancel engineering phase (\$2,224,376) that will be locally funded
- Add engineering review phase to construction project for Richey Road
- On Construction Phase, please correct local match to \$1,144,442 (currently shows \$144,442)

Project ID. 1325 Harris County Traffic Signal Project – Precinct 1:

- Advance let year from FY 2028 to FY 2026

Thank you for processing the TIPMODs and let me know if there are any questions.

Sincerely,

patrick mandapaka

Amendment Type

Modify an existing project

Proposed Project Information

MPOID

18933

Modification Reason

Since commitment of federal funds by the TPC, the City has worked diligently to develop this project by contracting with professional engineering firms to develop environmental documentation and plans, specifications, and estimates, conducting public engagement, and coordinating closely with the TxDOT Houston District. In addition to changes identified through engineering and public input, the scope of work has been adjusted where necessary to align with Mayor John Whitmire's guiding mobility principles: -Maintain the same number of general mobility lanes in number and width; -Focus on pedestrian safety with 5-6' wide sidewalks and improved crossings at intersections and appropriate mid-block locations; -Maintain businesses street parking; -and Maintain or enhance city service delivery for emergency responders and solid waste collection. The modified scope description utilizes H-GAC's project description standard operating procedure. This project's modified scope makes it eligible for grouping in the Statewide Transportation Improvement Program.

Project Description

Rehabilitate pavement, curbs, ramps, and sidewalks; construct signal improvements; and construct safety improvements at intersections and mid-block crossings (including pavement markings, signage, pedestrian refuge islands, and flashing pedestrian signals).

MPO ID	15549
TIP Project Description	Expand the existing facility, double the bus bays, increase parking from 50 to 210 spaces, add "layover parking for bus drivers, rebuild driveway and widen sidewalks.
Is this project currently in the TIP?	Yes
TIP Year	2026
Roadway, Transit, or Other Project?	Transit Project
Transit Project Type	Capital
Explain and document the effect the TDC's will have on local and non-federal funding support for existing transit services.	TDCs will enable METRO to continue expansion and where necessary, replacement of passenger facilities, vehicles, increased safety and security, replacement of non-ADA compliant facilities such as bus stops and sidewalks used to access them. TDCs will not reduce or replace METRO's local, non-federal funding commitment for these activities.
TDC Priority	Other Regionally Significant Project
Please explain how the use of TDCs will help meet the priority established for this project.	The Northline Transit Center is undersized for both current and future use. As the terminal station for the Red Line, it is a hub for transit patrons transferring from connecting bus routes as well as transit patrons using the facility as a park and ride location. The facility was developed before METRO's deployment of high-capacity articulated buses which cannot effectively be accommodated by the current bus platforms which were designed for standard 40 or 45 foot transit buses. The expansion and redevelopment of this site will double the bus bays available both for transfers between bus routes and bus transfers to the Red Line, add additional parking capacity supporting continued growth in transit bus and rail ridership.

5C. DRAFT 10-YEAR PLAN

BACKGROUND

The Texas Transportation Commission (TTC) approved the annual Unified Transportation Program (UTP), which allocates funding for statewide transportation projects over the next ten years. As directed by 84th session of the Texas Legislature in HB 20, Metropolitan Planning Organizations (MPO) are required to develop a 10-Year Plan for use of funding allocated to the region in the UTP. Developed in close coordination with the Texas Department of Transportation (TxDOT), the 10- Year Plan is updated each year and is consistent with the Regional Transportation Plan (RTP) and the Transportation Improvement Program (TIP).

CURRENT SITUATION

Staff are updating the 10-Year Plan to reflect consistency with the 2025-2028 TIP and 2045 RTP Update. The 10-Year Plan includes a list of programmed projects funded with Federal Highway Administration, TxDOT, and Toll Road Authorities funds, to be let between fiscal year 2026 and fiscal year 2035. The listing does not include projects funded with Federal Transit Administration (FTA) formula funds.

A summary of the 10-Year Plan projects is provided below.

County	# of Projects
Brazoria	19
Chambers	8
Fort Bend	19
Galveston	9
Harris	83
Liberty	8
Montgomery	19
Waller	6
Multiple	11
Total	182

ACTION REQUESTED

Technical Advisory Committee recommendation to Transportation Policy Council for approval of FY 2026 10-Year Plan.

10-Year Plan - FY 2026

The Texas Transportation Commission (TTC) approves the annual Unified Transportation Program (UTP), which allocates funding for statewide transportation projects over a ten-year period. As directed by 84th session of the Texas Legislature in HB 20, Metropolitan Planning Organizations (MPO) are required to develop a 10-Year Plan for use of funding allocated to the region in the UTP. Developed in close coordination with the Texas Department of Transportation (TxDOT), the 10- Year Plan is consistent with the Regional Transportation Plan (RTP) and the Transportation Improvement Program (TIP).

The 10-Year Plan is composed of engineering and construction projects that have received funding commitments in previous Calls for Projects. Projects selected for funding commitments can be de-funded per sponsor request, major scope change, or by Transportation Policy Council (TPC) action. Project funding is based on current funding category forecast and is subject to change.

6. 2050 REGIONAL TRANSPORTATION PLAN UPDATE

BACKGROUND

The 2050 Regional Transportation Plan (RTP) is a strategic plan that guides future policies, programs, and development of transportation in the region over the next 20 years or more. A core document of the Metropolitan Planning Organization, the RTP targets federal, state, and local funding resources to support transportation investments that implement the region's vision. The plan must be updated every four (4) years per federal statute. The current RTP was last updated in 2024 and is set to expire on November 1, 2027.

CURRENT SITUATION

The initial phase of the 2050 RTP development process included data collection and public outreach covering existing conditions and development of the vision, goals, and objectives for the RTP. The first round of public outreach concluded in late Summer 2025. Staff analyzed the data collected from surveys, focus groups, and public meetings. The emerging key themes were presented to the Regional Transportation Plan Subcommittee (RTPSC), which is functioning as the RTP2050 steering committee. The RTPSC voted to endorse, and the project team has adopted the following vision statement and goals for the RTP2050:

RTP 2050 Vision:

"A world class innovative and integrated transportation network that moves people and goods efficiently, reduces travel time, preserves the environment, ensures safety, and accessibility for all."

RTP 2050 Goals:

1. Safety

Goal: Prioritize safety for all users by eliminating fatalities and serious injury due to crashes.

2. Optimized Mobility and Economic Vitality

Goal: Develop a reliable transportation system that supports economic growth by moving people and freight seamlessly, minimizing congestion and reducing travel times.

3. Integrated and Innovative Network

Goal: Improve regional connectivity and ensure accessibility for all by integrating multimodal options and applying unique and cutting-edge solutions and technologies.

4. Resiliency and Adaptability

Goal: Develop a transportation system that minimizes adverse environmental impacts while withstanding and quickly recovering from disruptions.

A Consultant has been selected to support the RTP2050, and contract negotiations are underway. In addition, preparations are in development for Phase 2 of the public engagement. Once the consultant has an executed contract in place, project development will transfer from in-house resources to the consultant team.

ACTION REQUESTED

Information only.

7. FEDERAL HIGHWAY ADMINISTRATION (FHWA) SAFETY PERFORMANCE MEASURES

BACKGROUND

The Federal Highway Administration requires an annual submission of safety performance measures by state department of transportation and metropolitan planning organizations. The five federal safety performance measures are listed below.

1. Number of fatalities
2. Rate of fatalities (per 100 million vehicle miles traveled (VMT))
3. Number of serious injuries
4. Rate of serious injuries (per 100 million VMT)
5. Number of non-motorized fatalities and serious injuries (pedestrians and bicyclists).

The Houston-Galveston Area Council uses a methodology of a five-year rolling average to determine safety performance measures. The data used to determine the measurements are derived from the Fatality Analysis Reporting System (FARS) and the Texas Department of Transportation (TxDOT) Crash Record Information System (CRIS) data.

CURRENT SITUATION

The table below shows the H-GAC safety performance measures:

Year	2021	2022	2023	2024	2025	Five Year Average
Number of Fatalities	838	824	796	767	810	807
VMT (100 million miles)	586.2	612.31	641.50	648.86	676.51	
Rate of Fatalities	1.43	1.35	1.24	1.15	1.20	1.30
Number of Serious Injuries	4377	4281	4274	4099	4213	4249
Rate of Serious Injuries	7.47	6.99	6.66	6.15	6.23	6.73
Number of Non-motorized Fatalities and Non-motorized Serious Injuries	786	804	893	821	869	835

Data pulled on 01/08/2026 from CRIS.

Details regarding each of the performance measures are located on the next two pages.

Performance Measures and Targets

Total number of traffic fatalities

Decrease the expected rise of fatalities to no more than a five-year rolling average of 807 fatalities in 2026. The 5-year average is as follows:

Year	Actual Data	Source
2021	838	CRIS
2022	824	CRIS
2023	796	CRIS
2024	767	CRIS
2025	810	CRIS
5-year average		807

Total number of serious injuries

Decrease the expected rise of serious injuries to no more than a five-year rolling average of 4,249 serious injuries in 2026. The 5-year average is as follows:

Year	Target or Actual Data	Source
2021	4,377	CRIS
2022	4,281	CRIS
2023	4,274	CRIS
2024	4,099	CRIS
2025	4,213	CRIS
5-year average		4,249

Fatalities per 100 million vehicle miles traveled

Decrease the expected rise of fatalities per 100 million VMT to no more than a five-year rolling average of 1.30 fatalities per 100 million VMT in 2026. The 5-year average is as follows:

Year	Target or Actual Data	Source
2021	1.43	CRIS
2022	1.35	CRIS
2023	1.24	CRIS
2024	1.15	CRIS
2025	1.20	CRIS
5-year average		1.30

Target: Serious Injuries per 100 million vehicle miles traveled

2026 Target: Decrease the serious injuries per 100 MVMT to no more than a five-year rolling average of 6.73 serious injuries per 100 MVMT in 2026. The 2026 Target expressed as a 5-year average is as follows:

Year	Target or Actual Data	Source
2021	7.47	CRIS
2022	6.99	CRIS
2023	6.66	CRIS
2024	6.15	CRIS
2025	6.23	CRIS
5-year average		6.73

Target: Total number of non-motorized fatalities and serious injuries

2026 Target: Decrease the expected rise of non-motorized fatalities and serious injuries to not more than a five year rolling average of 835 non-motorized fatalities and serious injuries in 2026. The 2026 Target expressed as a 5-year average is as follows:

Year	Target or Actual Data	Source
2021	786	CRIS
2022	804	CRIS
2023	893	CRIS
2024	821	CRIS
2025	869	CRIS
5-year average		835

As noted in the table above, the calendar year target for 2026 would be 835 non-motorized fatalities and serious injuries.

8. TRANSPORTATION ALTERNATIVES SET-ASIDE (TASA) UPDATE

BACKGROUND

At the March 2020 Transportation Policy Council (TPC) meeting, the Council approved goals, priorities, and policies for selection and prioritization of projects to be programmed in the Transportation Improvement Program (TIP), 10-Year Plan, and the Regional Transportation Plan (RTP). These goals, priorities, and policies guide the H-GAC staff, Transportation Advisory Committee (TAC), and the TIP Subcommittee in development of project selection criteria and evaluation methodologies for project planning and programming. At the January 2023 meeting, TPC authorized the MPO staff to initiate the Project Selection Process.

Active Transportation (AT) is one of eight investment categories identified in H-GAC's Transportation Project Selection Process. Active Transportation project selection is conducted during H-GAC's Transportation Alternatives Set-Aside (TASA) Call for Projects. The TASA call will adhere to the established Project Selection Process Framework.

CURRENT SITUATION

The TASA Call for Projects process is ongoing, and H-GAC staff is accepting Statements of Project Interest (SOPI) from potential sponsors through January 23, 2026. SOPIs previously submitted and earmarked for the AT investment category will also be considered for the TASA Call for Projects. The TASA Program Guide is published and available on H-GAC's Project Selection Process webpage.

Staff will provide an update on the TASA Call for Projects to include information on SOPIs, submission milestones, and an updated timeline for call for projects completion.

ACTION REQUESTED

Information only.

9. REGIONAL ACTIVE TRANSPORTATION PLAN (RATP) UPDATE

BACKGROUND

The Regional Active Transportation Plan (RATP) is H-GAC's long-range planning document that envisions the future of active transportation within the region. With the goal to create an all ages and abilities regional active transportation network, the RATP promotes active transportation as a viable primary mode of travel, enhances first and last mile multimodal transportation, and identifies AT projects for inclusion within the long-range Regional Transportation Plan (RTP), the ten-year plan, four year Transportation Improvement Plan (TIP), and the two-year Unified Planning Work Program (UPWP). Last approved in 2019, the RATP needs updating.

CURRENT SITUATION

In 2025, H-GAC issued a competitive, sealed solicitation for proposals in order to procure a consultant for developing the 2050 RATP. In December, H-GAC staff concluded proposal evaluation and interviews for consultant selection and submitted their recommendations to H-GAC's Board of Directors. H-GAC received four responses. Proposals were evaluated on the following: Written-Study Methodology; Qualifications; Experience and Capability; Challenge, Opportunity, and Success Statement; Schedule and Level of Effort by Task.

10A. 2025-2028 TRANSPORTATION IMPROVEMENT PROGRAM AND THE 2045 REGIONAL TRANSPORTATION PLAN - FUTURE AMENDMENTS

BACKGROUND

The 2025-2028 Transportation Improvement Program (TIP) is a four-year capital improvements program for transportation projects. Under federal rules, all federally assisted projects must be included in the TIP to be eligible for funding. In addition, federal rules require that regionally significant local projects must also be included in the TIP.

The 2045 Regional Transportation Plan (RTP) is a long-range plan that prioritizes spending on regional transportation projects including short and long-range strategies to ensure the transportation network is safe and efficient. Updated every four years, the RTP outlines a fiscally constrained transportation investment program that is based on the unique needs and characteristics of the Metropolitan Planning Area.

Amendments to the TIP and RTP are brought to the Transportation Policy Council for consideration monthly and amended in accordance with the Metropolitan Planning Organization's Public Participation Plan.

CURRENT SITUATION

A summary of the proposed revisions to the 2025-2028 Transportation Improvement Program is included below.

- Program the METROLift Minivan Operations Center construction project (MPO ID 19560) with \$21M of METRO funds in FY 2027 at METRO's request.
- Program The Woodlands Township's Federal Transit Administration (FTA) Section 5339 funded transit capital expenses (MPO ID 19561) with \$324K of federal funding and 65K matching Transportation Development Credits (TDCs) in FY 2026 at the Township's request.
- Program the City of Conroe's FTA Section 5310 funded transit operating project (MPO ID 19559) with \$100K of federal funding and 50K matching TDCs in FY 2026 at the City's request.
- Update the scheduling, funding, and matching TDCs, for the City of Conroe's FTA apportioned FY 2025 Program of Projects (MPO IDs 11010, 11519, 11535, 15219, 18936, 19427, 19428, 19429, 19430, 19431, 19434, 19435, 19436, 19437, 19438, 19439, 19440, 19441) based on the federally approved allocations at the City's request.

10B. 2025-2028 TRANSPORTATION IMPROVEMENT PROGRAM AND THE 2045
REGIONAL TRANSPORTATION PLAN - ADMINISTRATIVE MODIFICATIONS

BACKGROUND

The 2025-2028 Transportation Improvement Program (TIP) is a four-year capital improvements program for transportation projects. Under federal rules, all federally assisted projects must be included in the TIP to be eligible for funding. In addition, federal rules require that regionally significant local projects must also be included in the TIP.

The 2045 Regional Transportation Plan (RTP) is a long-range plan that prioritizes spending on regional transportation projects including short and long-range strategies to ensure the transportation network is safe and efficient. Updated every four years, the RTP outlines a fiscally constrained transportation investment program that is based on the unique needs and characteristics of the Metropolitan Planning Area.

Modifications to the TIP and RTP are brought to the Transportation Policy Council for consideration monthly and amended in accordance with the Metropolitan Planning Organization's Public Participation Plan.

CURRENT SITUATION

A summary of the proposed revisions to the 2025-2028 Transportation Improvement Program is included below.

- Delay nine METRO Federal Transit Administration (FTA) formula funded projects (MPO IDs 18167, 19102, 19103, 19104, 19105, 19106, 19107, 19108, 19109) from fiscal year 2025 to fiscal year 2026 due to the suspension of the FTA grant process for the year-end close-out which occurred before the funds were obligated.
- Update the description and funding of METRO's FY 2026 Universal Accessibility implementation project (MPO ID 15265) to complete the FTA grant approval process.
- Delay two Fort Bend County Public Transportation bus purchases (MPO IDs 11533, 18347) from FY 2025 to FY 2026 to allow for the completions of the FTA funding obligations and grant approvals.
- Delay three TxDOT Beaumont District engineering projects (MPO IDs 19227, 19228, 19229) from FY 2025 to FY 2026 due to delays with funding applications.
- Delay two of TxDOT Houston District's widening and construction projects on SH 249 and I-10 West (MPO IDs 17224, 19024) within the Ten-Year Plan due to TxDOT's statewide level-letting process.
- Carry METRO's FY 2023 FTA formula funded West Bellfort Park and Ride Modifications (MPO 18858) to FY 2026 to complete the FTA grant approval process.

- Cancel METRO's FY 2025 locally funded Infrastructure Maintenance project (MPO 11497) due to it not receiving federal grant funding.

ACTION REQUESTED

Information only.
