6B. 2027-2030 TRANSPORTATION IMPROVEMENT PROGRAM AND THE 2045 REGIONAL TRANSPORTATION PLAN - TPC AMENDMENTS

**BACKGROUND**

The 2027-2030 Transportation Improvement Program (TIP) is a four-year capital improvements program for transportation projects. Under federal rules, all federally assisted projects must be included in the TIP to be eligible for funding. In addition, federal rules require that regionally significant local projects must also be included in the TIP.

The 2045 Regional Transportation Plan (RTP) is a long-range plan that prioritizes spending on regional transportation projects including short and long-range strategies to ensure the transportation network is safe and efficient. Updated every four years, the RTP outlines a fiscally constrained transportation investment program that is based on the unique needs and characteristics of the Metropolitan Planning Area.

Amendments to the TIP and RTP are brought to the Transportation Policy Council for consideration monthly and amended in accordance with the Metropolitan Planning Organization's Public Participation Plan.

**CURRENT SITUATION**

A summary of the proposed revisions to the 2027-2030 Transportation Improvement Program is included below.

- Rescope TxDOT Houston District's FY 2029 FM 523 reconstruction in Brazoria County (MPO ID 19173) to reflect that the roadway construction portion has been broken out and moved to the TxDOT Statewide Rehabilitation Program. Only the Congestion Mitigation/Air Quality funding will be retained to construct the sidewalks.

- Program fifteen City of Conroe's Federal Transit Administration formula-funded public transportation for administrative, capital, planning and operating expenditures in FYs 2027 and 2028 (MPO IDs 19616-19622, 19626-19630, 19631-19633).
