Westchase District Projects

Mr. Alan C. Clark MPO Director Houston-Galveston Area Council P.O. Box 22777 Houston, TX 77227-27777 Dear Mr. Clark, I am thrilled to support Westchase District in their pursuit of transportation funding through the 2015-2018 Transportation Improvement Program Call for Projects. I support all efforts to improve, expand, and otherwise enhance transportation facilities in the District. The Westheimer Road Pedestrian-Transit Improvements, Center Point Hike & Bike Trail, and the Walnut Bend Roadway Reconstruction projects will all be fantastic additions to our transportation network. As the area grows with recent new office development along the Sam Houston Toll road, HCC expansion and more. Making the area friendlier to pedestrian, bicycle and car traffic will help Houston become more walkable and this will bring in even more development to the HGAC area as we try to compete with other cities that have been friendlier to non-auto traffic for decades. Houston is playing "catch-up" and projects like these will help Houston maintain its growth.

Eric Collins; Ayeman Nasser; Ajay Patel; Jayson Mitchell; Ben Mehralizadeh; Virginia Smith; Jeannie Bollinger; Noreen Shaw; John Wagner; Susan Rozman; Zachary Hodges; Harry Greenblatt; Sherri Abbott; Lara K. Burhenn; Javed Razak; Carla Orozco; John Langworthy; Jeanne Perdue; David Gilkeson; Liubov Windham; Judith Finnell; Charles Masino; Russ Gray; David and Charlotte Oldham; David Valigura; Lynne Revis; Kathy Valigura; Tommy Jamail; Katie Grothaus; Sam Mashni; Marie O'Donnell; Jim; Russ; Deb Jones; Patricia Barrett; Monica Garcia; Thomas De Arcos; Gabriel Palomino; John Petrosky; Win Haggard, Jr.

As transportation coordinator of The Energy Corridor District, I support Westchase Management District in their pursuit of transportation funding for the Westheimer Road Pedestrian-Transit Improvement (Project #300498) through the 2015-2018 Transportation Improvement Program Call for Projects. This project will provide valuable pedestrian, bicycle and transit connections and amenities, thus enhancing quality of life in west Houston.

Kelly Rector

I am thrilled to support Westchase District in their pursuit of transportation funding through the 2015-2018 Transportation Improvement Program Call for Projects. Burnett Specialists is supportive of all efforts to improve, expand, and otherwise enhance transportation facilities in the District. The Westheimer Road Pedestrian-Transit Improvements, Center Point Hike & Bike Trail, and the Walnut Bend Roadway Reconstruction projects will all be fantastic additions to our transportation network.

Sue Burnett; Dominique Salet

The Uptown Houston District supports the Westchase District's pursuit of transportation funding through the 2015 - 2016 Transportation Improvement Program Call for Projects. The Westheimer Road Pedestrian-Transit Improvements, the Center Point Hike and Bike Trail and the Walnut Bend Roadway Reconstruction projects are worthy of your funding.

John Breeding

I fully support Westchase District in their pursuit of transportation funding through the 2015-2018 Transportation Improvement Program Call for Projects. These efforts to improve, expand, and otherwise enhance transportation facilities in the District will create a more vibrant community that encourages business. The Westheimer Road Pedestrian Transit Improvements, Center Point Hike & Bike Trail, and the Walnut Bend Roadway Reconstruction projects will all be fantastic additions to our transportation network.

Roland White; Samaria Chicas; Kristin Naumko; Emily Burke; Amy Proctor; Tina Roberts; Siok Hong Chen-Sabot

As a resident and avid traveler in and around the Westchase District, I wholeheartedly support the following programs in my neighborhood: 1. Westheimer Road Streetscape Improvements 2. Walnut Bend Lane Reconstruction 3. CenterPoint Hike & Bike Trail These projects will help transform the neighborhood. I also hope it will be a starting point for further improvements by business owners, especially since we have a few new apartment and office buildings nearby, i.e. Phillips66.

Jessica Michan

I own a commercial property on Westheimer Road just west of the Beltway 8 (corner of Blue Willow). My taxes on this property have skyrocketed in recent years. In the meantime, the sidewalk in front of my property is all broken and we lack street lights on Westheimer in my block and adjacent blocks which affects access at night time. I support funding for any improvements, especially lighting and sidewalk repairs for this section of Westheimer Rd.

Soli Forouzan

Westheimer road is in need of being updated with roadscape as has only been one strip center next to another with no cohesive appearance. It does not invite one in to shop or browse as I avoid it as so drab. Walnut Bend is a lovely street but has many pot holes and little on it to provide people in apartments to walk or ride on it.

Mario Vasquez; Noreen Smith; Jill Benge;

We need street arrows painted at Walnut Bend and Westheimer. (North and South sides of Westheimer). When going North towards Westheimer, drivers don't know if they're supposed to be in the right or left lane to turn left (West) on Westheimer. There is always a hesitant "dance" between drivers to see where the others are going. It's dangerous. Now that so much construction is happening in our area, Blue Willow has a TON of traffic. They speed through the neighborhood. The problem does not just occur from cars, but from HUGE delivery trucks, construction vehicles, etc. I have never understood why Walnut Bend Lane has speed bumps and Blue Willow does not. WE ARE THE STREET THAT EVERYONE USES TO CUT THROUGH TO THE WESTCHASE DISTRICT! Please, please budget for us to get those rubberized speed bumps installed at Blue Willow! (You do know that when the city topcoated our streets they didn't touch the existing speed bumps in the area. No asphalt/no paint. They were left as they were found). I think the city wasted some valuable money doing these streets. They looked just fine when the old, cracked asphalt was removed. In fact, the drains worked better. Our neighborhood is prone to flooding, and it gained us at least 2" of rain without the asphalt. Oh well - water under the bridge (or in my garage) at this point. Walnut Bend/Westheimer = Street arrows Blue Willow Lane = rubberized speed bumps.

Dee Ann Treanor

RE: Westchase District

Dear Mr. Clark:

As the elected representative for Houston City Council District G, I am pleased to offer my wholehearted support to the Westchase District in their pursuit of transportation funding through the 2015-2018 Transportation Improvement Program Call for Projects.

I am a strong advocate of efforts to improve, expand, and enhance transportation facilities in west Houston. The Westheimer Road Pedestrian-Transit Improvements, CenterPoint Hike and Bike Trail, and the Walnut Bend Roadway Reconstruction projects will be welcome additions to our transportation network.

Thank you for your consideration of these important projects.

Sincerely,

Dear Mr. Clark,

I am writing to advise that Premier America Credit Union fully supports Westchase District in their pursuit of transportation funding through the 2015-2018 Transportation Improvement Program Call for Projects. We have been in business in the Westchase area since 1959, and have enjoyed the prosperity in this area of Houston made possible by the many previous projects to improve our community over the years.

The Westheimer Road Pedestrian-Transit Improvements, Center Point Hike & Bike Trail, and the Walnut Bend Roadway Reconstruction projects will all be fantastic additions to our transportation network. We truly believe these improvements will ensure the continued economic growth and vitality of our community.

Premier America CU has been in the past and continues to be supportive of all efforts to improve, expand, and otherwise enhance transportation facilities in the District. We respectfully request your approval of these projects proposed by Westchase District.

Sincere Regards,

PREMIER AMERICA CREDIT UNION

SUBJECT: Letter of Support for the Walnut Bend Roadway Reconstruction project

Dear Mr. Clark,

I support Westchase District in their pursuit of transportation funding through the 2015-2018 Transportation Improvement Program Call for Projects. As general manager of The Energy Corridor District, I support the Walnut Bend Roadway Reconstruction submittal by the Westchase Management District.

The H-GAC West Houston Mobility Plan encourages collaboration between the City, Westchase, Memorial and Energy Corridor Districts to improve, expand, and otherwise enhance transportation facilities.

Sincerely,

Clark Martinson, General Manager

Re: Westchase District Project Submissions

Dear Mr. Clark,

As the State Senator for District 13, I am pleased to support the Westchase District in their pursuit of transportation funding through the 2015-2018 Transportation Improvement Program Call for Projects. With this funding they plan to implement the following projects: Westheimer Streetscape Improvements, Walnut Bend Reconstruction and the CenterPoint Hike and Bike Trail. These projects will undoubtedly transform the Westchase District Community.

The Westheimer Streetscape Improvements will create walkable, ADA compliant, continuous sidewalks in addition to upgraded bus shelters, lighting for aesthetic and safety purposes, street furniture and landscaping. The Walnut Bend Reconstruction will implement continuous sidewalks and bike lanes, bus bays, on-street parking where appropriate, and other pedestrian friendly enhancements. These improvements are expected to enhance the pedestrian level of service and safety, increase transit ridership and pedestrian activity, provide potential economic benefits, and reduce auto trips and vehicle emissions.

Finally, the CenterPoint Hike and Bike Trail will provide a new north-south connection between Westheimer and Richmond for bicyclists, pedestrians, and recreational trail users. The trail will serve to complement the growing network of trails in west Houston and will further serve to improve the quality of life for residents of District 13.

Thank you for your consideration. If you have any questions or concerns, please feel free to contact my office at (713) 236-0306.

Sincerely,

Rodney Ellis

Re: Terra Council of Co-Owners
3100 thru 3150 Walnut Bend

Dear Mr. Clark:

On behalf of the Terra Council of Co-Owners I am writing to advise that the Homeowner's Association is very supportive of the Westchase District's pursuit of transportation funding through the 2015-2018 Transportation Improvement Program Call for Projects.

Terra Courtyard Condominiums is very much in favor of all the efforts by the Westchase District to improve, expand and enhance transportation facilities within the District. We believe the transportation network within the District would only benefit from the Road Pedestrian-Transit Improvements, CenterPoint Hike & Bike Trail and especially the Walnut Bend Roadway Reconstruction projects.

Thank you in advance for your time and efforts.

Very truly yours,
