

Attachment 2 – Qualifications/Experience/Capability Questionnaire

Provide the following information in narrative form:

1. Explain the relevance of the services you are proposing and how they align to the services requested.

2. Explain how your project will improve early education quality. Describe in detail the different components of the service you propose to provide. What outcomes will you achieve? Please quantify your activities.

Additional space allotted for Question 2 response.

3. Describe how your project will serve:
 - a. Early education/childcare providers

Question 3 continued.

- b. Adult education providers and students

Question 3 continued.

c. Parents and caretakers

4. What is the organization's experience in assessing and mentoring early education providers to achieve certification in state or national quality rating systems?

5. Please describe in detail experience with fund raising. Have you ever raised funds as match for a state or federal grant? How much was raised?

6. Describe how your organization will work with H-GAC, external stakeholders, and the general public, in providing services as requested in this RFP.
