

H-GAC's On-site Sewage Facility SEP

February 11, 2015
AERCO Quarterly Meeting
H-GAC

On-site Sewage Facilities

- **Septic Tanks, Aerobic Systems, etc.**
- **Why are they the focus**
 - **Water Quality Issues**
 - **Widespread Use**
 - **Aging Infrastructure**
 - **Not all regulated**

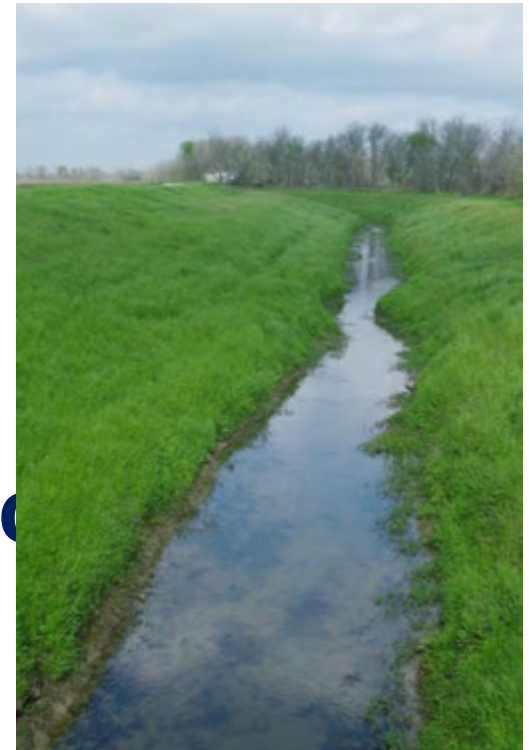

The H-GAC OSSF SEP

- **Supplemental Environmental Project**

- **Keep violation dollars local**
- **Benefit community**

- **Serves to augment limited funding for OSSF remediation**

The H-GAC OSSF SEP

- **Remediate OSSFs**
- **Focus on Priority Watersheds**
- **Low Income Requirement**
- **Up to \$500,000 a Year, Water and Wastewater violations**

The H-GAC OSSSF SEP

- **H-GAC Actively Marketing**
 - **All Leads Appreciated**
- **Does not Conflict with AERCO SEP**
- **Please keep us in mind!**
