Voting By Mail

From the Office of Chris Hollins, Harris County Clerk

How does the Harris County Clerk's Office process my Vote by Mail ballot securely?

- The voter's signature on the BBM return envelope is compared to the signature from your BBM application and/or your voter registration application to maintain voter integrity.
- The Carrier Envelope is verified for signature authentication, logged, and securely stored.
- Your BBM is not counted until voting centers close at 7:00 p.m. on Election Day.

Can I vote in person if I received a Vote by Mail ballot? What about if I submitted a Vote by Mail application and never received a ballot?

- You may vote in person even if you applied for BBM, but you can only vote once.
- To vote in person, take your Vote by Mail ballot to a voting center to surrender it and receive a regular ballot.
- If you do not have the mail ballot with you, you may still vote in person using a provisional ballot.

How do I submit my application to Vote by Mail?

- (1) Regular residential mail via United States Postal Service;
- (2) In-person drop off at any of the [Harris County Clerk Annex locations](#) during regular business hours through October 12, 2020;
- (3) Common or contract carrier (e.g., personal courier, FedEx, UPS, or other contracted mail service); or
- (4) Fax machine or e-mail. **If you choose this option, the Harris County Clerk's office MUST receive [your original](#), completed paper application by one of the above methods (1-3) within four (4) business days of your email or fax.**

When will I get my Vote by Mail ballot?

- **Domestic ballots:** will begin to be mailed out in mid-September.
- **After mid-September,** your ballot will be mailed out **within seven (7) days** of your application being received.
- **Voters outside the United States:** Your ballots will be mailed on or **before September 26** (the 45th day before Election Day), or **within seven (7) days** of your application being received.

How do I return my completed ballot to the Election office?

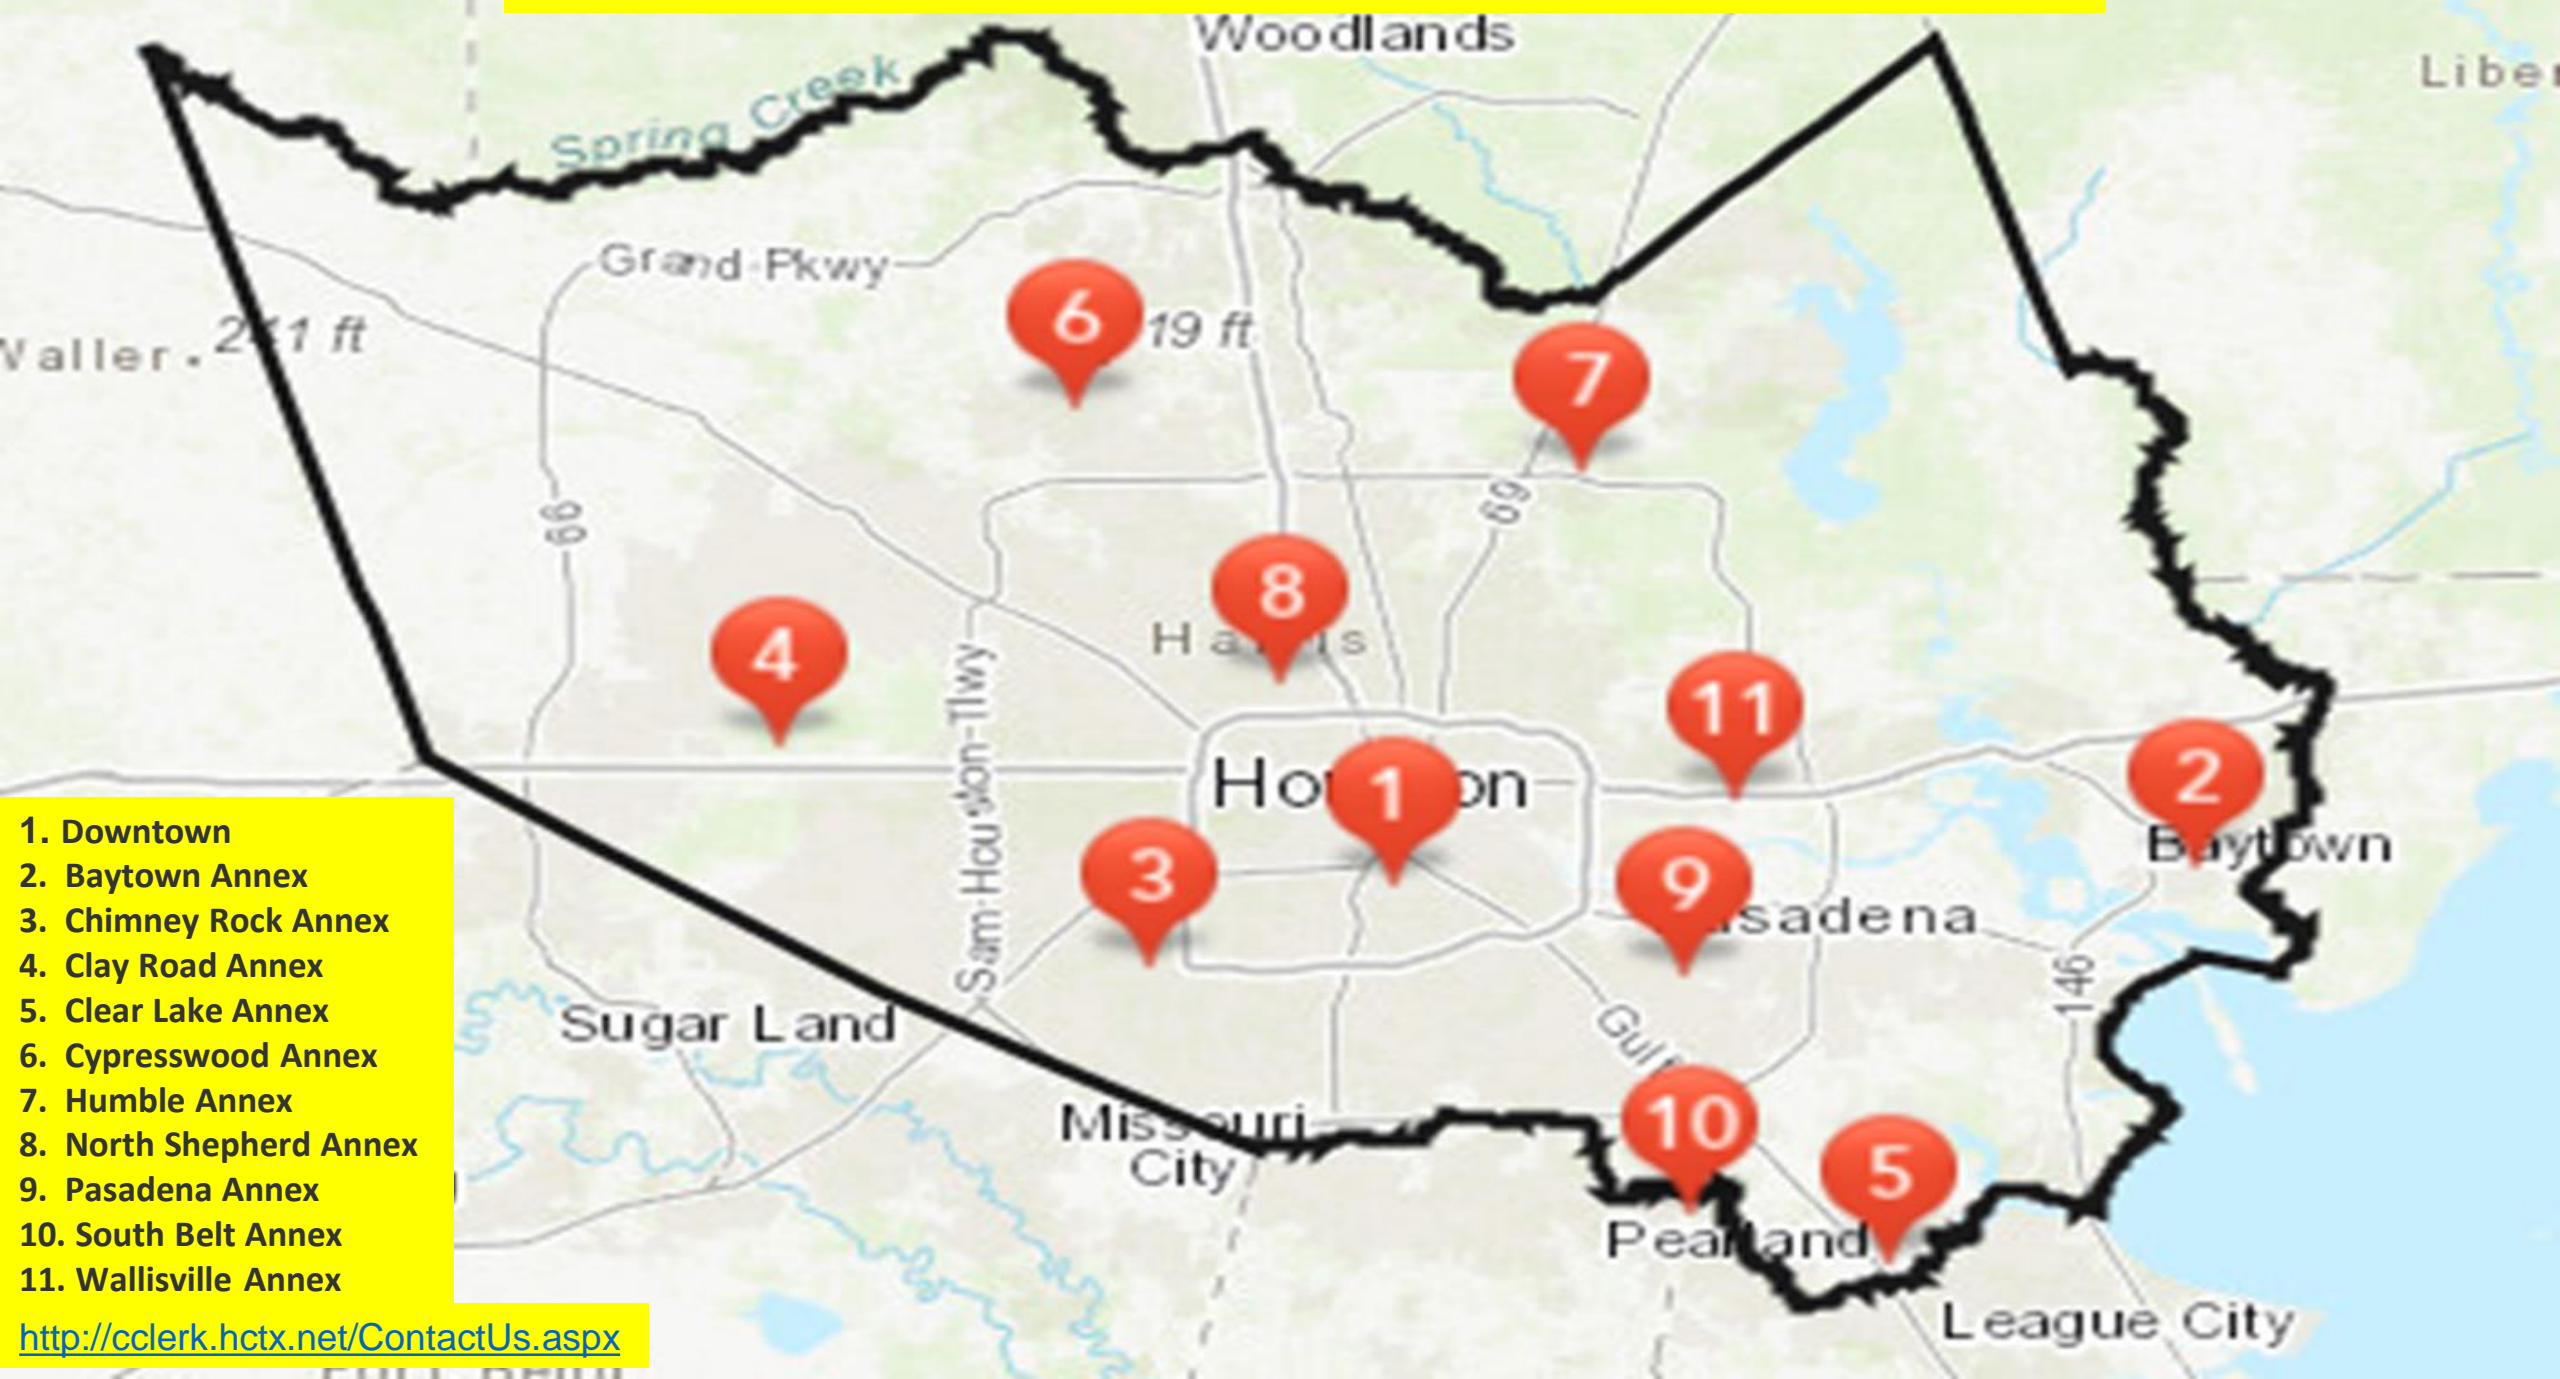

Is there a deadline?

- **US Postal Service:** Ballot must be postmarked by 7:00 p.m. on Election Day and must be received by 5:00 p.m. on November 4 (the day after Election Day)
- **In-person drop off** at any of the [Harris County Clerk Annex locations](#) during regular business hours through Election Day, November 3, 2020, at 7:00 p.m.;
 - a) You must present an acceptable form of photo identification
 - b) If a voter does not possess and cannot reasonably obtain an acceptable form of photo identification, need to complete a reasonable impediment declaration (RID)
 - c) Only the voter may deliver their ballot in person
- **Common or contract carrier;** such as personal courier, or FedEx or UPS.

Ballot must be received by 7:00 p.m. on Election Day

If the carrier provides receipt mark indicating a time before 7:00 p.m. on Election Day, it may be received by 5:00 p.m. on November 4 (the day after Election Day)
