

## ADMINISTRATIVE MODIFICATIONS OF THE 2025-2028 TRANSPORTATION IMPROVEMENT PROGRAM AND THE 2045 REGIONAL TRANSPORTATION PLAN

### BACKGROUND

---

The 2025-2028 Transportation Improvement Program (TIP) is a four-year capital improvements program for transportation projects. Under federal rules, all federally assisted projects must be included in the TIP to be eligible for funding. In addition, federal rules require that regionally significant local projects must also be included in the TIP.

The 2045 Regional Transportation Plan (RTP) is a long-range plan that prioritizes spending on regional transportation projects including short and long-range strategies to ensure the transportation network is safe and efficient. Updated every four years, the RTP outlines a fiscally constrained transportation investment program that is based on the unique needs and characteristics of the Metropolitan Planning Area.

Amendments to the TIP and RTP are brought to the Transportation Policy Council for consideration monthly and amended in accordance with the Metropolitan Planning Organization's Public Participation Plan.

### CURRENT SITUATION

---

A summary of the proposed revisions to the 2025-2028 Transportation Improvement Program is included below.

- Delay the Harris County Toll Road Authority's locally funded Hardy Toll Road 4-lane construction from IH 610 to IH 69 (MPO ID 15208) from FY 2025 to FY 2028 to accommodate their coordinated construction schedule.
- Delay the Harris County Toll Road Authority's locally funded Hardy Toll Road direct connectors construction at SL 8 (MPO ID 16076) from FY 2025 to FY 2026 to accommodate their coordinated construction schedule.
- Delay the Fort Bend County Public Transportation's Westpark Park & Ride Federal Transit Administration (FTA) Section 5307 bus support project (MPO ID 18333) from FY 2025 to FY 2026 in preparation for a funding adjustment.
- Update the descriptions of two METRO Congestion Mitigation/Air Quality (CMAQ) funded Regional Vanpool Program capital, operating and projects (MPO IDs 15310, 18851) to specify the inclusion of support for vehicle leases, ridesharing and ridematching at METRO's request.

  - Clarify the scope of work of the City of Houston's Surface Transportation Block Grant (STBG) funded Antoine Drive reconstruction (MPO ID 18879) and delay it from FY 2026 to FY 2027 at the City's request to allow time to investigate additional funding opportunities.
  - Correct the FTA Section 5339 apportionment year of the City of Conroe's compressed natural gas (CNG) vehicle purchase project (MPO ID 19239) from FY 2025 to FY 2023 at the City's and FTA's request.
