

## 2025-2028 TRANSPORTATION IMPROVEMENT PROGRAM AND THE 2045 REGIONAL TRANSPORTATION PLAN – ADMINISTRATIVE MODIFICATIONS

### BACKGROUND

---

The 2025-2028 Transportation Improvement Program (TIP) is a four-year capital improvements program for transportation projects. Under federal rules, all federally assisted projects must be included in the TIP to be eligible for funding. In addition, federal rules require that regionally significant local projects must also be included in the TIP.

The 2045 Regional Transportation Plan (RTP) is a long-range plan that prioritizes spending on regional transportation projects including short and long-range strategies to ensure the transportation network is safe and efficient. Updated every four years, the RTP outlines a fiscally constrained transportation investment program that is based on the unique needs and characteristics of the Metropolitan Planning Area.

Amendments to the TIP and RTP are brought to the Transportation Policy Council for consideration monthly and amended in accordance with the Metropolitan Planning Organization's Public Participation Plan.

### CURRENT SITUATION

---

A summary of the proposed revisions to the 2025-2028 Transportation Improvement Program is included below.

- Cancel two of METRO's Surface Transportation Block Grant (STBG) funded regional vanpool program projects (MPO ID 18852 in FY 2026, MPO ID 18368 in FY 2028) to reflect METRO's current funding priorities.
- Modify the funding, matching Transportation Development Credits (TDCs), and/or descriptions of four of Fort Bend County Public Transportation's FY 2026 Federal Transit Administration (FTA) Section 5307 and 5310 capital improvements and operating projects (MPO IDs 18833, 18834, 18835, 18926) and move them into TxDOT's Statewide Transit Improvements Program at Fort Bend County's request.
- Change the FTA funding category of METRO's State of Good Repair project (MPO ID 19107) from Section 5337 to Urbanized Area Formula Grants, Section 5307, at METRO's request.
- Correct the clerical error of METRO's Bus Capitalized Maintenance project (MPO ID 19114) to show \$56,600,000 of federal Section 5307 funding instead of \$56,000,000.
- Update the scope of work of Island Transit's/City of Galveston's FY 2026 FTA Bus and Bus Facilities funded project (MPO ID 19181) to include facilities improvements.
- Update the scope of work of Fort Bend County's FY 2026 SH 99 frontage road construction projects (MPO IDs 19494, 19495) at the Federal Highway Administration's request to note that side paths are included.

**RE: Request TIP Amendments for MPOIDs 18368 and 18852 and Transfer of CMAQ Funding for MPO ID 18851 from FHWA to FTA.**

Dear Mr. Papsdorf:

Based on consultation with your staff, the Federal Transit and Federal Highway Administrations, it is my understanding that all aspects of the Regional Vanpool Program are eligible for reimbursement from Congestion Mitigation/Air Quality (CMAQ Cat 5) funding. At the request of H-GAC staff, METRO has agreed to withdraw two Regional Vanpool Projects (MPOIDs 18368 and 18852) currently funded with \$4 million each in Surface Transportation Block Group funding (STBG Cat 7) in the current 2025-28 TIP.

METRO also requests H-GAC initiate a Transfer for MPOID 18851 from FHWA to FTA in support of the Regional Vanpool Program. No TIP amendment is needed as these CMAQ (Cat 5) funds are currently programmed in FY 2026 of the current TIP.

Sincerely,

*Alan C. Clark*
