

TEXAS EMISSION REDUCTION PLAN (TERP) UPDATE JULY 29, 2021 RAQPAC MEETING

Air Grants is closing out the fiscal biennium and planning the programs and timelines for the coming biennium. We will have new updates on program openings and webinars in the coming month.

Texas Emissions Reduction Plan (TERP)

- Currently no grant programs are accepting applications.
- Keep updated on all programs by visiting the TERP website at www.terpgrants.org. Questions about any of the TERP programs can be e-mailed to terp@tceq.texas.gov.

Texas Volkswagen Environmental Mitigation Plan (TxVEMP) Program

- The TxVEMP program for the purchase of Zero Emission Vehicle (ZEV) Level 2 charging stations remains open until September 9, 2021. Eligible projects must provide charging services to public places, workplaces, or multi-unit dwellings. This grant round will provide up to \$2,500 per ZEV level 2 dual-pedestal charging station.
 - This is a statewide program with approximately \$8.3 million in available funding remaining.
 - Eligible projects will be processed for approval on a first-come, first served basis.
- Visit www.txvwfund.org to stay updated on future grant rounds and to find eligibility requirements, grant materials, and project summary reports.
- Contact TxVEMP staff by phone at (833) 215-TXVW (8989) or by email at VWsettle@tceq.texas.gov.
