## Chapter 4 — Transit Project Listing

---

The 2017-2020 TIP details the program of projects from federal, state and local sources for the public transportation providers within the Houston region. A complete description of federal transit funding programs is provided in Appendix E.

### **Public Transportation Overview**

Within the Houston region, transportation services are provided by private for-profit, private nonprofit, and public entities such as regional transportation authorities, small urban providers, and rural providers. These entities coordinate the provision of transportation services to the general public in the Houston, Conroe--The Woodlands, Lake Jackson-Angleton, and Texas City Urbanized Areas (UZA) as well as to residents of the region's nonurbanized areas.

### **Service Providers**

Public service providers in the Houston region that provide fixed route, demand response, and/or paratransit services include:

**The District**<sup>1</sup> – As a public transportation provider, The District operates demand response, paratransit, and fixed route services across sixteen counties. Within the region, CVTD provides demand response and limited fixed route service to residents in the nonurbanized portions of Montgomery County. The District receives funding from the Texas Department of Transportation and Federal Transit Administration.

**Colorado Valley Transit**<sup>1</sup> – As a public transportation provider, Colorado Valley Transit (CVTD) provides demand response and fixed-route service for four counties. Within the region, CVTD provides demand response and limited fixed route service to the residents in Waller County. CVTD receives funding from the Federal Transportation Administration and from the Texas Department of Transportation.

**Connect Transit**<sup>1</sup> – Operated by the Gulf Coast Center, Connect Transit provides demand response service in Galveston and Brazoria Counties. Since 2008, Connect Transit has offered fixed route service in Texas City and La Marque. Since 2010, Connect Transit has provided fixed route service in southern Brazoria County, known as Southern Brazoria County Transit. In cooperation with Island Transit, Connect Transit operates Park and Ride service between League City and Galveston Island.

**Island Transit**<sup>1</sup> – Island Transit provides fixed-route transit, dial-a-ride and trolley service in the Galveston area. The Galveston trolley has 20 stops that connect the City of Galveston downtown, Seawall Boulevard, the Historic Strand, and UTMB. They also offer dial-a-ride service to those that qualify.

---

<sup>1</sup> The District, CVTD, Connect Transit and Island Transit receive FTA 5311 “Rural” program funds to support services provided within the 8-county H-GAC region. Section 5311 funds are programmed by TxDOT Public Transportation Division (PTN) directly in the Statewide TIP and are not shown in the H-GAC 2017-2020 TIP.

**Metropolitan Transit Authority of Harris County (METRO)** – As the largest transit provider in the region, METRO offers numerous transportation solutions including traditional local fixed-route transit service, light rail, 113 miles of HOV/HOT lanes along six major corridors, 25 park and ride lots, 18 transit centers, paratransit service known as METROLift, and Rideshare programs, including vanpool operations.

**Harris County** – Developed through the Community and Economic Development department of Harris County, this provider operates service in areas not served by METRO within Harris County. Services continued in this TIP include park and ride services in Eastern Harris County (Baytown) as well as circulator services. Harris County also operates the Rides program which is a demand response service that can be either a shared ride or taxi service. Harris County receives funding from the Houston Urbanized Area allocations from the Federal Transit Administration.

**Fort Bend<sup>2</sup>** – As a public transportation provider, Fort Bend County (FBC) operates demand response service within Fort Bend County and provides service to Harris County destinations including the Texas Medical Center and central business district of Houston. FBC also supports a commuter service known as TREKEXPRESS which provides commuter trips to Greenway Plaza and the Galleria.

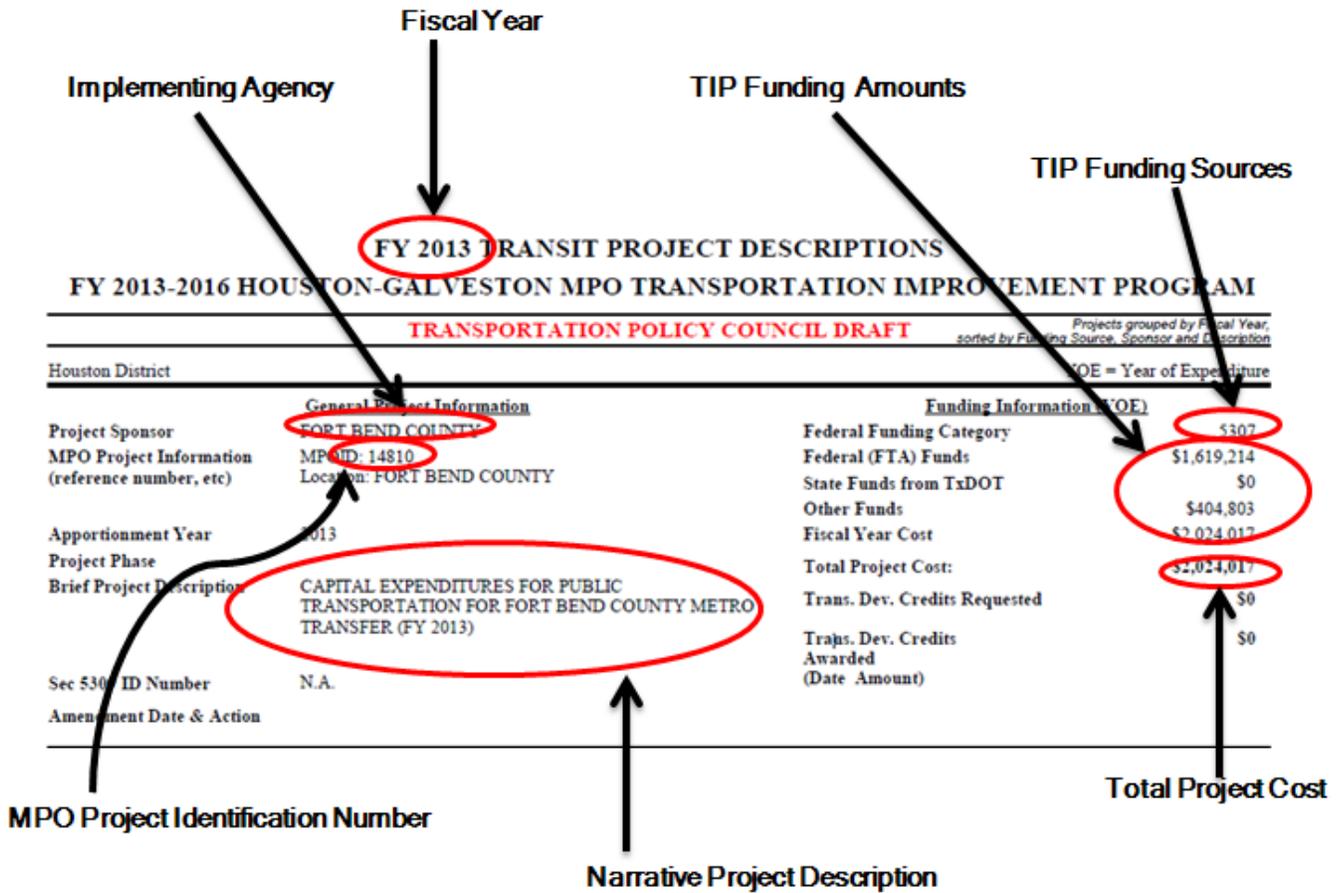

---

<sup>2</sup> Fort Bend County receives FTA 5311 “Rural” program funds to support services provided within the 8-county H-GAC region. Section 5311 funds are programmed by TxDOT Public Transportation Division (PTN) directly in the Statewide TIP and are not shown in the H-GAC 2017-2020 TIP.

### Project Listing

The project listing in this chapter is provided in the format required by the Texas Department of Transportation (TxDOT) for inclusion in the Statewide TIP (STIP). This project listing is separated by the program year in which the project is estimated to let to contract. The projects are sorted by funding, project sponsor, then project name.

Below is a legend for how to find key project information in the listing:

### Fiscal Year

Consistent with the State fiscal year, fiscal years in the 2017-2020 TIP begin on September 1st and continue through August 31st of the following year. For example, fiscal year 2017 begins September 1, 2016 and ends August 31, 2017.

Fiscal years are used in the TIP project listing to show the year in which funds are committed to a particular project or phase. All projects in 2017-2020 TIP are fiscally constrained and have identified funding commitments.

## **Total Project Cost**

In addition to the funding programmed in the 2017-2020 TIP, an estimate of total project cost is provided for each project. The total project cost estimate is provided to communicate the overall investment being made to the transportation system, and may reflect work that has already occurred or may occur after time period covered by the TIP.

This estimate reflects all facets of the project, including design and engineering costs, needed acquisition of rights-of-way or utility relocations, and construction contingencies.

## **Year-of-Expenditure (YOE)**

Funding and costs for all projects is shown in YOE (nominal) dollars, as opposed to current, or indexed, dollars (such as “2010”).

**FY 2017 TRANSIT PROJECT DESCRIPTIONS**  
**FY 2017-2020 HOUSTON-GALVESTON MPO TRANSPORTATION IMPROVEMENT PROGRAM**
