

HOUSTON- GALVESTON AREA COUNCIL
OFFICE OF THE EXECUTIVE DIRECTOR

TO: H-GAC Board of Directors
SUBJECT: Board Report
FROM: Chuck Wemple 
DATE: June 15, 2022

I'm looking forward to seeing each of you at our Board of Directors Meeting next week. I encourage you to attend the June meeting in person if possible. We will maintain a Zoom option this month for those who wish to remain remote. A summary of the June Board packet is included below.

Consent Agenda – The consent agenda includes five items that are routine, continuation of ongoing activities, and/or opportunities to expand our service to the region. The combined items represent just over \$1.64 million in contracts.

We have the opportunity to expand the funding available for small business loans across the H-GAC region. We are seeking approval to contract with the Economic Development Administration for \$1,120,000. Our program is a national leader and we will be receiving unspent funds from other parts of the country.

We are partnering with the Texas Health and Human Services Commission to provide the most vulnerable and at-risk older individuals and individuals with disabilities information about COVID-19 vaccination opportunities. We will be using a variety of methods to conduct our outreach. Total amount is \$137,725.

The consent agenda also includes a printing contract for workforce solutions, renewal of two water quality sampling and analysis contracts, and approval of the May 2022 Board Meeting minutes.

Finance and Budget Committee – will meet at **9:15 a.m.** to consider the monthly financial report, the results of the annual audit, the employee retirement plan, the 2021 internal audit report, the 2022 annual audit plan, and other finance-related items on the Board agenda. Members of the committee will receive a committee agenda and meeting notice, in addition to the general Board packet.

Audit Committee – the Audit Committee met earlier this month to review and discuss the results of the annual audit, the employee retirement plan, the internal audit report, and the annual audit plan. The committee approved all of the items and will present a recommendation to the Board for possible action. Our auditors from BKD will also be available for questions.

Human Services – our Workforce team has two items for Board approval this month. The Texas Workforce Commission provides funds to the Gulf Coast Workforce Board to deliver adult education instruction in our 13-county region. We contract with 15 service providers throughout the region to deliver this service and we expect to serve 18,500-19,500 students for this contract year. Total amount of contracts is \$21,050,028.

We are recommending a renewal of our agreement with G&A Partners to serve as the employer of record for processing the payroll, filing taxes, and providing other usual and customary functions for payroll processing for 3,000 people connected to our summer jobs and part-time work experience programs. Total amount of \$9,000,000.

H-GAC Advisory Committee Appointments – are made by H-GAC’s Board as a whole, based upon nominations from individual Board members and other groups. This month we have nominations to seven committees and affiliates for your consideration. The individuals you appoint conduct important work to sustain and grow our service to the region. We appreciate their dedication and service.

Resolution for City of Dickinson Mayor Pro Tem and H-GAC Chair William King III – our immediate past Chair of the Board of Directors has stepped down due to term limits in the City of Dickinson. We will adopt a resolution honoring his service to the agency and our region.

Election Committee – will meet at **8:15 a.m.** As discussed last month, we have two vacancies at the officer level of our Board that will need to be addressed. Our bylaws have a clear process for filling vacancies as they arise. The committee will convene to discuss and present a recommendation to the Board for approval during the general meeting.

Spotlight – this month, our spotlight will focus on the Advanced Law Enforcement Rapid Response Training Program which helps train law enforcement on ways to respond to active shooter situations.

I appreciate your engagement and deliberation on the important action items before us. Please contact me if you have any questions or would like to discuss any of the agenda items.

Chair King called for the next item. David Fink, manager in the transportation department, requested adoption of a Resolution and authorization to enter into an Advance Funding Agreement with the Texas Department of Transportation for the regional transportation safety program in the amount of \$2,317,500. Mr. Fink stated that the funds will be used for safety programs in the eight-county Metropolitan Planning Organization area. Transportation Development Credits will be used for the local match.

Mr. Fink mentioned that in 2018, a Safety Plan was approved by the Transportation Policy Council, which made recommendations to reduce traffic fatalities and injuries in the region. In 2020, the Transportation Policy Council approved a Vision Zero plan, with an aspirational goal of no traffic fatalities in the region by 2050. One result of the 2018 Safety Plan was the observation that 40% of all traffic accidents and 25% of traffic fatalities occur at intersections. Hence, intersection audits have now been conducted at 58 intersections throughout the eight-county transportation region. Improvement recommendations and implementation strategies have now been submitted.

Mr. Fink stated that other types of programs which will use this funding include roadway safety audits, driver education, youth occupant education, bicycle safety education, and transportation safety campaigns.

Chair King asked if there were any questions for Mr. Fink. Commissioner Meyers moved to approve, and Waller County Judge Trey Duhon seconded the motion. Chair King asked Mr. Fink who the transportation department is collaborating with on the youth bicycle safety program. Chair King asked if there were any questions for Ms. Neudecker. There being none, Commissioner Meyers moved to approve, and Commissioner Henry seconded the motion. Chair King called for the vote, which resulted in unanimous approval by all members present.

(over)

with her great personality.

Chair King received a standing ovation. Mr. Wemple thanked Chair King for his positive attitude, humor and leadership.

a. H-GAC Spotlight – 2045 Regional Transportation Plan Public Outreach

Mr. Wemple stated that the spotlight this month will be presented by Mike Burns, principal planner in the transportation department.

Mr. Burns explained that the Regional Transportation Plan is the long-term vision for our region, with a 20-year outlook which is updated every four years. Our staff has estimated that our region will grow during the next 25 years from 7 million to 10 million in population. We also estimate that we will have approximately \$100 billion in funding to address needs and challenges, including an aging population and aging infrastructure.

For this first of three steps in the planning process, Mr. Burns stated the visioning process includes a robust public outreach strategy. Public Meetings have been scheduled in each of the eight transportation counties, and one additional virtual meeting, to determine the communities' needs and priorities.

Mr. Burns also stated that a vision survey and comment map have been launched on engage.h-gac.com. Mr. Burns is requesting everyone at the meeting today to participate in the survey and request others to participate as well. The Regional Transportation Plan is expected to be completed in April 2023. He asked if there were any questions.

City of Lake Jackson Mayor Gerald Roznovsky mentioned that north Brazoria County and south Brazoria County have differing needs. He asked Mr. Burns how the differing needs within the county are going to be addressed. Mr. Burns stated that the survey results will group the needs by zip code, rather than by county. Mr. Wemple added that we can schedule an additional meeting in another part of the county if that is needed.

City of Sealy Mayor Carolyn Bilski asked about the portion of the region that is along a hurricane evacuation route. Mr. Wemple responded that we are still exploring possible solutions. He stated that we are coordinating with the Texas Department of Transportation on the Rural Transportation Plan which will address concerns and needs in the outlying areas.

Mr. Wemple thanked Mr. Burns for his presentation.

b. Current and Upcoming H-GAC Activities

Chair King called on Mr. Wemple for his Executive Director's report. Mr. Wemple offered a brief report on current and upcoming H-GAC activities.

Mr. Wemple announced that Juliet Stipeche will join the agency as the new Director of Human Services in June.

Mr. Wemple stated that the agency recently met with the General Land Office regarding the Method of Distribution. Mr. Guerrero and Justin Bower, principal planner in the Community and Environmental Planning department, are taking the lead for these meetings. He stated that we expect a revision during June or July for the allocation for the mitigation funding coming to our region.

Mr. Wemple stated that the results of the annual audit and the mid-year budget revisions will be brought to the Board for approval in June and July.

Mr. Wemple stated that he, Transportation Director Craig Raborn and Data Director Jochen Floesser recently visited with Judge Jimmy Sylvia, Commissioner Billy Combs, and Board Member Commissioner Tommy Hammond in Chambers County to tour the Cedar Point development.

Mr. Wemple announced that the Loan Development Corporation has been awarded \$1 million in additional COVID-19 funds from the Economic Development Administration that will be available for business loans in the near future.

Lastly, Mr. Wemple reminded the 9-1-1 Board of Managers that their meeting and workshop would take place immediately upon adjournment of the Board of Directors Meeting today.

ECONOMIC DEVELOPMENT ADMINISTRATION – SMALL BUSINESS FUNDING

Background

The Houston-Galveston Area Local Development Corporation works collaboratively with the Gulf Coast Economic Development District to operate and administer loan programs through the U.S. Economic Development Administration. In August 2020, the Economic Development Administration awarded a \$1.6 million grant to the Gulf Coast Economic Development District through the Coronavirus Aid, Relief and Economic Security Act (CARES Act). Within months, the Local Development Corporation and Gulf Coast Economic Development District had fully distributed these funds to nearly 50 needy businesses through its revolving loan program. Because we spent our funds so quickly, indicating a significant demand in our region, the Economic Development Administration reallocated \$1,120,000 in unspent funds from other regions to the Gulf Coast Economic Development District.

Current Situation

Although COVID-19 originally affected businesses more than two years ago, we have recent data that points to current business demand. Last month, the Local Development Corporation and Gulf Coast Economic Development District launched a new small business funding program in partnership with Fort Bend County – Triple R. The program received almost 1,200 applications from Fort Bend county businesses over the course of six weeks. Given that we serve a 13-county area, the Local Development Corporation and Gulf Coast Economic Development District have an opportunity to expand their efforts to serve even more impacted businesses through these additional funds. Because this program is a revolving loan fund, as funds are repaid, we would lend funds to additional impacted businesses.

GENERAL EDUCATION AND AWARENESS FOR COVID-19 VACCINE LOCATIONS

Background

H-GAC is the Aging and Disability Resource Center for the twelve counties surrounding Harris County. The City of Houston manages the Harris County ADRC. ADRC's provide information assistance and referral and respite care services for older individuals and individuals of all ages with disabilities.

Current Situation

H-GAC received funding from the Texas Health and Human Services Commission to provide the most vulnerable and at-risk older individuals and individuals with disabilities information about COVID-19 vaccinations. The Aging and Disability Resource Center program plans to develop a direct mail campaign describing information about the COVID-19 vaccine and how to access it for older and disabled individuals who may be interested.

The Aging and Disability Resource Center will utilize census data and Centers for Disease Control and Prevention data to identify zip codes with a higher prevalence of vulnerable older adults and people living with disabilities throughout the 12-counties.

TEXAS CLEAN RIVERS PROGRAM SUBCONTRACTS AMENDMENTS

Background

The work that H-GAC conducts, under contract with the Texas Commission on Environmental Quality, includes water quality monitoring, analysis, stakeholder involvement and public education and awareness.

Current Situation

During fiscal year 2022-2023, H-GAC subcontracted water quality monitoring and analysis to four subcontractors. Staff proposes to amend current contracts with two of these subcontractors to conduct the following additional work under H-GAC's Clean Rivers Work Program:

The University of Houston-Clear Lake Environmental Institute of Houston will conduct various monitoring activities at nine of 20 prioritized locations (see attached map), including: 1) Collect dissolved oxygen monitoring and flow monitoring at sites requested by the Texas Commission on Environmental Quality; and 2) Complete the targeted bacteria monitoring project identified in the fiscal year 22-23 Clean Rivers Program Work Plan. The proposed budget increase for the University of Houston Clear Lake – Environmental Institute of Houston is \$72,080 (New total \$202,752)

- b). Due to the supply chain issue, the Cooperative Purchasing revenue is little behind projected levels. We will reassess the projection during our mid-year budget preparation.
- c). Other revenue is behind because we just received the second round of EDA CARES Loan program in May. We anticipate the expenses will begin to catch up by the third quarter.
- d) Federal pass-thru derives primarily from the Department of Energy and the Environmental Protection Agency. Both programs are administered in H-GAC's Transportation department. These programs have longer-than-expected implementation schedules.
- f) Travel expenses are still behind projections. We anticipate realizing a big increase in travel in the next few months.

INTERNAL AUDIT ANNUAL REPORT For Fiscal Year Ending 2021

PURPOSE

This report was prepared by the Director of Internal Audit at the Houston-Galveston Area Council (H-GAC) to summarize the activities and work completed for the department. The reporting period is from January to December 2020. The completion of this report and its submission to the H-GAC Board of Directors (the Board) is consistent with the H-GAC internal audit charter. The Institute of Internal Auditors Code of Ethics defines internal auditing as an independent, objective assurance and consulting activity designed to add value and improve an organization's operations. It helps an organization accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control, and governance processes.

BACKGROUND

The Internal Audit Department at H-GAC has the responsibility to review and evaluate the controls at the agency. In addition, the internal audit staff has responsibility for contractor/subrecipient monitoring. Our staff performs desk reviews of contractors audited annual financial reports, site visits, and on a sample basis CPA firm working papers reviews. All other assignments completed by the department are considered special projects.

The H-GAC Board approved a revised internal audit charter in 2015 to update and reflect current guidelines for the professional practice of internal auditing. The Internal Audit function at H-GAC consists of a director and four audit professionals. The operations of the department conform to standards for the International Practice of Internal Auditing as required by the Institute of Internal Auditors. An external quality assurance review was completed in 2018 and confirmed our compliance with professional standards.

RESULTS OF AUDIT ACTIVITY

The internal audit director completed an internal audit plan for fiscal year 2021, which was approved by the H-GAC Audit Committee as well as the Board. The plan served as a guide to allocate audit resources in an efficient and effective manner to cover key areas of the agency. The following is a summary of department activity and/or work products for the past three years.

**INTERNAL AUDIT ANNUAL REPORT
For Fiscal Year Ending 2021**

<i>Item</i>	<i>2021</i>	<i>2020</i>	<i>2019</i>
Regular Audits/Reviews	7	7	7

Follow-up Audits/Reports	0	2	0
Special Projects	6	8	7

Site Visits	17	26	15
Site Visit Reports	11	25	12
Desk Review Letters	38	33	37
Pre-Award Review Memos	4	5	2

The Internal Audit Department allocated hours in the 2020 plan based on five staff members at 2,080 hours each for the year (i.e. 10,400 hours). The hours were divided into seven categories – regular audits, program reviews, follow-up audits, contractor monitoring, special projects, administrative time, and leave time. The medical leave of a staff member and eventual vacancy of this position caused overall hours to be less than planned hours for projects. The following table compares planned hours for these categories with actual hours used in 2021 to complete various projects.

<i>Category</i>	<i>Planned Hours</i>	<i>Actual Hours</i>	<i>Difference</i>
Regular Audits	2,100	463	-737
Program Reviews	1,050	384	-666
Follow-up Audits	420	0	-420
Contractor Monitoring	3,510	2,920	-590
Special Projects	720	1,263	+543
Administrative Time	1,600	2,607	+1,007
Leave Time	1,000	1,603	+603
<i>Totals</i>	<i>10,400</i>	<i>9,240</i>	

PROJECTS COMPLETED

The internal audit department completed various projects during the year. In Appendix A, it compares planned projects from the 2021 audit plan with actual projects completed for the period. Appendix B contains a list of projects completed during the year for regular audits and reviews. No follow-up audits were completed and one audit report was issued by the department. Other audit work and reviews were completed by staff but no reports were issued by the director.

INTERNAL AUDIT ANNUAL REPORT For Fiscal Year Ending 2021

The contractor and subrecipient monitoring projects consisted of desk reviews, site visits, and pre-award reviews. The desk reviews are detailed technical reviews of contractors' most recent annual financial reporting packages to determine compliance with state and federal reporting requirements. Internal Audit issues the management acceptance letters for these contractor/subrecipient reports. There were 38 desk reviews completed (see Appendix C) for 2021.

Contractor monitoring reports are usually issued after site visits are made to contractors by internal audit staff. There were 15 site visits made in 2021. The main purpose of these site visits was to review the adequacy of controls as well as contract compliance. A list of contractors and their contract amounts are in Appendix D for site visits performed by Internal Audit. The program staff has the responsibility of ensuring contractors take appropriate corrective actions on recommendations made by Internal Audit. Most findings in the site visit reports did not represent material weaknesses or problems that could not be corrected in a timely manner.

Pre-award reviews were completed for pending contracts in the H-GAC Transportation Department. These reviews consisted of basically reviewing cost data and background information for proposed contracts to ensure compliance with state and federal guidelines, as well as consistency with other H-GAC contracts. In some cases, a site visit would also be part of a pre-award review. There were four (4) pre-award reviews performed in 2021 (see Appendix E). The category of special projects represents the remainder of projects completed by the Internal Audit staff.

RE: INTERNAL AUDIT PLAN FOR 2022

Dear Mr. Wemple:

Attached is the Internal Audit Planning for fiscal year 2022. Most projects are from the previous plan and will be completed in the current year. Other projects are based on management concerns and new challenges for the agency. This approach varies from previous years due to a critical vacancy on staff and new concerns and challenges that will impact future planning. This report contains the mission and responsibilities, core values, department goals and planned activities to complete this current year.

A schedule of projects for the fiscal year as well as related staff hours to complete each activity are included in the plan. This information should be presented to the H-GAC Audit Committee for review, comments, and approval. If there are any questions about this report, contact me at (713) 993-4517.

HOUSTON GALVESTON AREA COUNCIL INTERNAL AUDIT PLAN – FISCAL YEAR 2022

PURPOSE

The purpose of this document is to discuss the responsibilities, goals, scheduled projects, and the operational plans for the internal audit function at H-GAC for Fiscal Year 2022. The Director of Internal Audit is responsible for implementing an approved comprehensive plan for internal auditing, subrecipient, and contractor monitoring. The Director also provides periodic reporting of internal audit activities are made to the Executive Director and members of the H-GAC Audit Committee.

MISSION AND RESPONSIBILITIES

The Internal Audit department will examine and evaluate the activities of the agency to assist managers and supervisors in the effective discharge of their responsibilities and improve operations. To this end, the Internal Audit department will also furnish management staff with analyses, appraisals, recommendations, counsel, and information concerning the activities reviewed. The department also has responsibility for the monitoring of contractors for compliance with contract and program requirements as well as federal regulations. The H-GAC Board of Directors are informed of Internal Audit activity and subrecipient monitoring through its Audit Committee.

BACKGROUND

The Internal Audit Charter was updated and approved by the Board in October 2014. An internal audit planning methodology was approved by the H-GAC Board of Directors in December 2015. The department and its operations adhere to the standards for the International Professional Practice of Internal Auditing as issued by the Institute of Internal Auditors.

The Internal Audit department consists of a staff including a director and four audit professionals. One position has been vacant for the entire year. The Executive Director has assigned more special projects and requested greater Internal Audit involvement in agency operations. The Director of Internal Audit has also worked on improving Internal Audit processes. With the impact of COVID-19 and remote working arrangements at H-GAC, federal regulations, changing needs and concerns of the agency, the Director of Internal Audit identified new major concerns that the department needs to address in the future. Using the COSO framework for evaluating internal controls as described in the federal “green book” will be one key item implemented by the department.

HOUSTON-GALVESTON AREA COUNCIL INTERNAL AUDIT PLAN – FISCAL YEAR 2022

In addition, helping HGAC directors and managers evaluate their operations for compliance with appropriate guidelines will be a new approach for our Internal Audit department. We will also complete more process audits as well as provide assurance services for control processes. We will help the directors and managers at H-GAC identify key risks in their operations and the related responses to those risks. Two other concerns for the department include (1) Information Technology and Cybersecurity audits and (2) Fraud risks and investigations. The Director of Internal Audit will need to submit a detailed report to Executive Director and Audit Committee on how the department needs to expand as well as describe how it will meet the new challenges facing H-GAC.

CORE VALUES

The Internal Audit department staff maintain a level of professionalism that conforms with International Standards for the Professional Practice of Internal Auditing. The core values represent the principles and expectations of behavior and conduct practiced by H-GAC Internal Audit staff. The following are our core values and are consistent with the Institute of Internal Auditors (IIA) Code of Ethics for Internal Auditors.

Integrity – internal audit work shall be performed with honesty, diligence, and responsibility; and observe all laws and make disclosures expected by the law and the profession.

Objectivity – internal audit staff shall not participate in any activity or relationship that may impair or be presumed to impair their unbiased assessment; shall not accept anything that may impair or be presumed to impair their professional judgment; and shall disclose all material facts known to them in reporting activities under review.

Confidentiality – internal audit staff shall be prudent in the use and protection of information acquired in the course of their duties; and shall not use information for any personal gain or in any manner that would be contrary to the law or the ethics of H-GAC.

Competency – internal audit staff shall engage only in those services for which they have the necessary knowledge, skills, and experience; and shall continually improve their proficiency and the effectiveness and quality of their services.

**HOUSTON-GALVESTON AREA COUNCIL
INTERNAL AUDIT PLAN – FISCAL YEAR 2022**

GOALS FOR 2022

The Internal Audit department has established goals for the current fiscal year. These goals are designed to build on the activities of the department from the past year. The goals of the Internal Audit department for Fiscal Year 2022 are as follows:

- 1) Develop comprehensive control questionnaires based on COSO framework;
- 2) Complete a special report on the expansion of the Internal Audit function;
- 3) Provide advisory and consulting services as needed to H-GAC staff;
- 4) Complete site visits and contract monitoring on selected contractors;
- 5) Provide leadership in identifying key risks affecting H-GAC operations.

OPERATIONAL PLAN

The activities and staff hours of the Internal Audit department cover seven categories: (1) regular audits, (2) program/unit reviews, (3) follow-up audits, (4) subrecipient/contractor monitoring, (5) special projects, (6) administrative time, and (7) leave time. Subrecipient/contractor monitoring includes pre-award reviews, desk reviews, site visits, and contractor evaluations. Follow-up audits will be limited to determining whether audit areas have complied with prior audit recommendations.

Regular audits include operational, financial-related, compliance, and program audits. Reviews will include narrow scope assignments, making suggestions as well as recommendations. Any other project that is not a regular audit, unit review, follow-up audit, or subrecipient/contractor monitoring assignment becomes a special project. In most cases, all audit reports include responses to the recommendations from the Directors/Managers of the audited areas.

Contractor monitoring reports from site visits will not include responses from auditees. The program staff as part of their contract management responsibilities will request responses from contractors for site visit report recommendations. The Internal Audit department issues pre-award and advisory reports (if appropriate) in a memorandum format. Directors/Managers can also make requests for Internal Audit to advise or examine specific areas, contracts, or transactions to improve procedures or safeguard assets.

WORKFORCE ADULT EDUCATION CONTRACTS

Background

The Texas Workforce Commission continues to provide funds to the Gulf Coast Workforce Board through H-GAC to deliver adult education instruction in the 13-county region. We contract with 15 providers throughout the region to deliver this service.

Current Situation

On June 7, 2022, the Workforce Board approved renewing contracts with 15 providers. Texas Workforce Commission extended the contract period one additional year for adult education contracts. This is the fifth year for adult education contracts. The proposed contract period is July 1, 2022, through June 30, 2023.

We continue to successfully deliver in-person and remote instruction to customers, meeting their demand for flexibility while pursuing higher education. Adult Education providers work to provide English language instruction, literacy classes, adult basic education, adult secondary education, integrated education, GED preparation, and joint basic education-skills training classes to people in the Gulf Coast area.

For 2022-2023 we expect to serve 18,500-19,500 students. We will also continue integrating workforce and adult education by adding up to \$400,000 to the three career office contracts for case management and job placement support to adult education students. Attached are the Workforce Board adult education recommendations for 2023.

WORKFORCE SYSTEM PAYROLL CONTRACT

Background

In fiscal year 2020, the Gulf Coast Workforce Board, through its operating affiliate, Workforce Solutions, contracted with G&A Partners to serve as the employer of record for processing the payroll, filing taxes, and providing other functions usual and customary for payroll processing for Workforce Solutions summer jobs, temporary recovery jobs, and part-time work experience jobs.

Current Situation

Now in its third year of a four-year annual renewal, G&A continues doing a good job serving as the employer of record for payroll services for subsidized and temporary workers. We expect G&A to continue:

- Employing eligible individuals designated by Workforce Solutions
- Paying wages and providing fringe benefits and insurance for these individuals. Engaging with the worksites where these individuals will work.
- Reporting timely on individuals' wages, work, and experience.

On June 7, 2022, the Workforce Board approved renewing a contract with G&A partners. We recommend the contract renewal not exceed \$9,000,000 to serve 3,000 individuals at an average cost of \$3,000 per individual.
