

Funding Development Program

The **Houston Galveston Area Council's (HGAC)** Funding Development Program provides direct technical assistance to member governments, helping communities identify funding opportunities and develop strong, competitive grant proposals.

How to Apply:

HGAC will announce periodic calls for submissions where member governments can formally apply for technical support.

Eligibility:

- Cities under 55,000 population
- Counties under 100,000 population
- Requests must align with priority focus areas

Note: HGAC cannot provide engineering, legal, or other professional consulting services related to grant opportunities. Jurisdictions must secure those services as needed.

Services We Provide:

- Identifying relevant grant opportunities
- Grant writing and narrative development
- Budget development
- Draft review and strategic feedback
- Grant trainings and workshops

Priority Focus Areas:

- Housing
- Water Resources
- Community Buildings
- Public health and mental health
- Supplemental funding for existing grant programs (solid waste, disaster resilience, criminal justice)
