Hi David-

I have done the best I can entering preliminary information into the applications, needs, purposes, and maps, but Trent has been out of town at a conference all last week and vacation this week. Can you please help me and let me know which worksheets we need to complete and which ones your team will take care of?

The Projects we are submitting are:

1. Mykawa Road Expansion App # 300396
2. CR 403 (Hughes Ranch Road) App # 300393
3. Pearland Safe Routes to School App #300441
4. SH 288 North Bound Frontage Road FM 518 to County Road 59 App # 300447
5. Clear Creek Trail App # 300444

I will be out of the office tomorrow, but Trent and I will both be back on Monday, Dec.1st. Please call me if you need to or just reply to the email with directions.

Thank you & Happy Thanksgiving
